2. Intent of this project and Background (DOA)

The Department of Agriculture, with support from SSFM International, Inc., evaluated the current status and future expansion potential of the Kamuela Vacuum Cooling Plant. Through a series of site visits, discussions, and meetings with the KVCP Coop, surveys, and public meetings, a Master Plan and Feasibility Study was developed in February 2019. The top 2 recommendations of the study were to demolish the inactive vacuum cooling warehouse and to perform improvements of the active warehouse to support compliance with Food Safety Modernization Act regulations.

The active warehouse is currently being used by the Kamuela Vacuum Cooling Cooperative (KVCC) for vacuum cooling and cold storage of their produce, and as a pick-up site for their produce to be transported to Kawaihae Harbor for inter-island shipping or distribution locally.

 2. The past advertisement included providing two (2) new containers for project, is that still a requirement?
 3. Past site visit indicated that department and the coop stored materials in and around the inactive warehouse. Will the contractor be responsible for moving the salvageable items?
 4. Sheet C001, demolition note no. 6, indicates removal of hedges and trees are incidental to the work and not to be paid separately. On Sheet C101 no hedges or trees are shown on the drawing to be removed?
 9. Submit all information as required by HIEPro.
 1. Attendees were reminded to submit their questions to HIEPro so that official answers can be provided by addendum.

NOTICE TO BIDDERS

(Chapter 103D, HRS)

COMPETITIVE BIDS for Job No. DOAH26B Kamuela Vacuum Cooling Plant, Demolition of Inactive Vacuum Cooling Warehouse, Lalamilo Ahupua'a, South Kohala, Hawai'i Island, shall be submitted to the Department of Agriculture, Agricultural Resource Management Division, on the specified date and time through the Hawaii State e-Procurement (HIEPRO). HIEPRO is accessible through the State Procurement Office website at www.spo.hawaii.gov.

The Department of Land and Natural Resources Interim General Condition, dated October 1994, as amended, and the General Conditions –AG008, latest revision, shall be made part of the specifications.

The project is located at Waimea (Kamuela), Big Island, Hawaii.

The work shall generally consist of demolition and removal of a vacuum cooling warehouse that is no longer in use. As a bid additive, this work will include work on the exterior of the active warehouse to remove/dispose of hazardous materials, seal warehouse openings, and painting.

Due to the nature of work contemplated, bidders must possess a valid State Contractor's license, classification "A" or "B". In addition, contractor or its subcontractor must possess any additional State Contractor Specialty "C" license to perform the work, including specialty license C-19. **Alternatively, bidders are not required to possess a classification "A" or "B" State Contractor's license if they or their subcontractors possess the specific State Contractor Specialty "C" licenses necessary to perform the work.**

A voluntary pre-bid telephone conference will be held, on Wednesday, September 7, 2022, at 10:30 am. If you are interested in joining the telephone conference, please contact Janice Fujimoto at Janice.fujimoto@hawaii.gov, or by phone at 808-973-9473, by 12:00 pm on Tuesday, September 6, 2022 for the telephone conference dial-in number.

All interested parties are invited to attend a site visit. Additional information about the site visit will be provided during the pre-bid conference. The site visit will be held at the project site, on Thursday, September 8, 2022, at 10:30 am. **There will be a second site visit held on Thursday, September 22, 2022, at 10:30 AM. If you are interested in attending this second site visit, please contact Janice Fujimoto at Janice.fujimoto@hawaii.gov, or by phone at 808-973-9473, by 12:00 pm on Wednesday, September 21, 2022.**

The estimated cost of construction is \$350,000.00.

The award of the contract, if it be awarded, will be subject to the availability of funds.

Since the estimated cost of construction is \$250,000 or more, the apprenticeship agreement preference pursuant to Hawaii Revised Statutes §103-55.6 (ACT 17, SLH 2009) shall apply.

Should there be any questions, please refer to the HIEPRO solicitation.
