FOR THE HAWAII STATE DEPARTMENT OF EDUCATION STATEWIDE

Revision to the Special Conditions:

The following revisions to the Special Conditions are hereby provided and incorporated into IFB D23-053:

SPECIAL CONDITIONS, Number 31 Price Adjustments, Number 1 a located on page SC-8 has been deleted in its entirety and replaced with the following:

1. Request for increase must be made in writing to the CA on a timely basis.
 - a. Request for increase for a supplemental period of the contract must be made prior to the start of the supplement.

Note that if a price adjustment is not requested by the CONTRACTOR for any extended contract period, it cannot be requested during a future extension period. For example, if a price adjustment is requested during the second contract extension period but not during the first contract extension period, the price adjustment, if approved, will include an adjustment for the second extension period only, not both the first and second extension period – it is not retroactive.
