The proposal submittal deadline:

is not amended.

Attached is (are):

Amendments to the RFP.

1. A Master's degree is not required, therefore, Subsection 3.10.E.6.a. is hereby deleted in its entirety.
2. The State Purchasing Agency's response to Offerors' written questions.

Written Response to Questions

1. Is there a format required for the HILYNC Needs Assessments that are already defined? Or would the Contractor be responsible for developing the strategy, designing the Assessments, etc.?

Answer: Regarding the HILYNC Needs Assessments - The Contractor is responsible for developing a way of measuring the functioning of the HILYNCS. There is no tool or specific way of assessing the functioning of the HILYNCS required by the CAMHD.

2. We came across the online version circa 2018 of the HYIPR, is this the latest report available?

Answer: The 2018 HYIPR is the most recent version available.

3. Would the Contractor be responsible to work with the CAMHD comms on this as an internal resource, or would the Contractor have to develop the publication?

Answer: The Contractor should work with the CAMHD Communications Section and HISYNC Committee to gather the data and publish the HYIPR report.

4. Are there any exceptions in lieu of experience to the Master's Degree requirement? Could this be included in section 3.7?

Answer: The CAMHD is removing the requirement of a "Master's Degree".
