

## Cost Proposal

*NOTICE: THIS COST PROPOSAL MUST BE COMPLETED EXACTLY AS REQUIRED*

The cost proposal detailed below, shall indicate the proposed price for the goods and/or services defined in the Scope of Work (RFP Attachment 3) and the Proposal Evaluation Guide, Sections A, B, and C (RFP Attachment 4) for the entire contract period, and must NOT record any other rates, amounts, or information unless specified by this RFP or the attachments.

The cost proposal shall remain valid for sixty (60) days subsequent to the date of the cost proposal opening and thereafter in accordance with any contract resulting from this RFP. All monetary amounts shall be in U.S. currency and limited to two (2) places to the right of the decimal point.

By submitting a cost proposal in response to this RFP, offeror certifies as follows:

1. The costs in this RFP have been arrived at independently, without consultation, communication, or agreement with any other offeror, as to any matter relating to such costs for the purpose of restricting competition.
2. Unless otherwise required by law, the costs which have been quoted in this RFP have not been knowingly disclosed by the offeror prior to award, directly or indirectly, to any other offeror or competitor prior to the award of the contract.
3. No other attempt has been made or will be made by the offeror to induce any other person or firm to submit or not to submit for the purpose of restricting competition.
4. To the best of the contractor's knowledge and belief, the cost or pricing data submitted is accurate, complete, and current.

Cost is an evaluation factor based on the criteria discussed in this section. The flat rate cost shall include but not limited to the total cost for collecting, packaging, transporting and disposing of CSUU pesticides. The proposal with the lowest cost shall receive the highest allotment of points available for cost. Each proposal that has a higher cost than the lowest will receive a lower rating for cost (See HAR §3-122-52(d)).

***NOTICE: This cost proposal must be signed in the space at the end of this attachment by an individual empowered to bind the offeror to the provisions of this RFP and any contract awarded pursuant to this RFP. If said individual is not the President or Chief Executive Officer, this document must attach evidence showing the individual's authority to legally bind the offeror.***
