The undersigned Bidder hereby proposes to furnish all labor, materials, equipment, tools, transportation, permits, incidentals and supplies required to complete the project in full accordance with the contract documents for the following price(s), in the form of a grand total lump sum amount noted below (which includes the Hawaii General Excise Tax of four and seven twelve percent (4.712%)).

GRAND TOTAL BASE BID (Sum of Base Bid + Extension-Term Bid):

_____ **DOLLARS (\$ _____)**

2. The Bidder shall complete this Form of Bid ("Bid" or "Bid Form") for all the itemized line items in the Base Bid Schedule and Extension-Term Bid Schedule, if applicable. If any or all itemized line items are removed from the executed contract, the contract time and the contract cost will be adjusted accordingly.
3. In submitting this Bid, it is understood that the award of contract will be made to the lowest responsive and responsible bidder for the GRAND TOTAL BASE BID amount, subject to the availability of funds.
4. Failure to complete this Bid in its entirety may cause the Bid to be considered non-responsive and may result in rejection of this Bid.
5. **Contract Term.** The time of completion for this project shall be 1,460 calendar days from the date of commencement indicated in the Notice to Proceed. HHFDC may extend the contract term by no more than 730 calendar days at the given unit

prices stated in the Extension-Term Bid Schedule submitted with this Bid. Any extension of the Contract time shall be mutually agreed upon in writing in the form of a supplemental agreement executed prior to contract expiration.

6. By submitting this bid, the undersigned also agrees and/or attests to the following:
 - (a) Bidder is registered and/or licensed to do business in the State of Hawaii and will pay such taxes on all sales made to the State of Hawaii.
 - (b) The information provided is accurate to the best of bidder's knowledge and the contracting officer is authorized to contract on behalf of the firm and confirm the stated information.
 - (c) If awarded a contract for this Bid, Bidder shall comply with section 103B-3(a), HRS and ensure that Hawaii residents compose not less than eighty per cent of the workforce employed to perform the contract on a particular construction project, as determined under subsection (b). Prior to an award of a contract, the contractor may withdraw a bid without penalty if the contractor finds that it is unable to comply with this subsection.
 - (d) That the estimated quantities in this Bid are approximate only and are subject to increase or decrease.
 - (e) To complete the work whether the estimated quantities are increased or decreased at the unit prices stated in this Bid.
 - (f) That the estimated quantities in this Bid are only for the purpose of comparing bids offered for the work on a uniform basis, and that the undersigned is satisfied with and will at no time dispute the estimated quantities as a means of comparing the bids.
 - (g) To make no claim for anticipated profit or loss of profit because of a difference between the quantities of the various classes of work done or the material and equipment actually installed and the estimated quantities.
 - (h) That if the UNIT PRICE multiplied by the estimated quantity does not equal the total price of any item in this Bid, the correct total price of the item shall be the amount arrived at by multiplying the UNIT PRICE by the estimated quantity.
 - (i) That for UNIT PRICE items, payment will be made only for the actual number of units completed at the UNIT PRICE.

- (j) That the UNIT PRICE for each item in this Bid includes the cost of all materials, equipment, labor and all other incidental work required for the completion of the work.
- (k) That the basis of comparison will be the Grand Total Base Bid.
- (l) That all bids submitted include the State of Hawaii general excise tax of **4.712%**.
- (m) **That allowance work will be paid for on a cost-plus twenty percent (20%) for overhead and profit, for work done by the Contractor's own forces, and cost-plus ten percent (10%) for overhead and profit, for work done by the Contractor's subcontractor.** Furthermore, the HHFDC may require the Contractor to submit invoices, receipts and/or other information as needed.
- (n) Bidder agrees to pay liquidated damages and has completed, signed and submitted with this Bid the Acknowledgment of Liquidated Damages Form.
- (o) Bidder declares that its firm was not assisted or represented by an individual who has, in a State capacity, been involved in this project or this proposed contract in the past two consecutive years.
- (p) That HHFDC reserves the right, in its sole discretion, to reject any or all bids.
- (q) That this Bid may not be withdrawn within 60 calendar days subsequent to the opening of bids or any extension of time as may be requested by the Director.
- (r) That upon acceptance of this Bid, the undersigned will enter into, execute and deliver a contract in the prescribed form by HHFDC, and current state and federal tax clearances within ten (10) days after the Contract is presented to the undersigned for signature or within such further time as the Director may allow.
- (s) That by submitting this proposal, the undersigned is declaring that if awarded a contract, the undersigned will comply with Section 11-355, HRS, which prohibits campaign contributions from State and County government contractors during the term of their contract, where the contractor is paid with funds appropriated by a legislative body.

7. The following documents shall be submitted with this Bid Form:

- (a) **Form of Non-Default Affidavit**, attesting that the undersigned is not in default of any contract with the State of Hawaii.

- (b) **Form of Non-Collusive Affidavit**, attesting that the undersigned has not entered into any collusion with any other person with respect to the submission of this Bid or any other bid for the work.

8. By submission of this Bid, the Bidder certifies that it has indicated all apprenticeable trades it will employ for this project (excluding subcontractors) by listing all the applicable trades below:

Bidder **must** submit a complete, valid Form1 for each apprenticeable trade indicated above to qualify for the preference.

9. If this solicitation is being conducted on HlePRO, bidder agrees that awards made for this solicitation, if any, shall be done through the HlePRO system and shall therefore be subject to a mandatory .75% (.0075) transaction fee, not to exceed \$5,000 for the total contract term. This transaction fee shall be based on the total sales made against this contract, payable to Hawaii Information Consortium, LLC (HIC), the vendor administering HlePRO. As such, while award of the Bid will be made to the lowest responsive, responsible bidder based on the Grand Total Bid amount, the initial award amount posted in HlePRO will be for the initial term of the contract only and may therefore be less than the Grand Total Bid.

HIC shall invoice the vendor directly for payment of transaction fees. Payment must be made to HIC within thirty (30) days from receipt of invoice.
