ADDENDUM B

TO

REQUEST FOR PROPOSALS

RFP D23-111

SEALED PROPOSALS

TO PROVIDE NOHONA HAWAI'I EDUCATION AND HOSTING SITES

FOR THE HAWAI'I DEPARTMENT OF EDUCATION

An additional written question received by the Department is listed below. The following response is hereby provided and incorporated into the RFP:

1. For Section 5: Offer of Services (Appendix C, Summary Offer of Services and Pricing), it is unclear from the description whether there can be a separate narrative section for that section that is not shared with the schools or whether only the Appendix C form/s can be in that section? The reason being that other details are asked for in that section that may be a lot to include in descriptions for the schools.

Response: Organizations may submit a summary of services in narrative form AND an Appendix C form. If awarded under this RFP, the Appendix C form is made available to schools and offices (reference them back to that section 4.11).
