The Records Management Branch, Archives Division, Department of Accounting and General Services is soliciting bids to furnish a new JLG 10 MSP stock picker, deliver into the State Records Center, 729B Kakoi Street loading dock area, and provide user training.

Stock picker specifications:

<https://www.jlg.com/en/equipment/stock-pickers/driveable-stock-pickers/10msp-stock-picker>

Other:

- Provide training on operating and maintaining the stock picker
- Provide 2 sets of keys
- Provide operating and services and repair manuals
- All equipment offered shall include any other standard features not listed herein but detailed in manufacturer's brochures and deemed necessary for proper and safe operation of equipment.
- Manufacturer's standard warranty and warranty documents.

Delivering the stock picker:

The loading dock is 28.25 inches above ground. There is a 59-inch wide ramp. Vendor must bring all necessary equipment to offload and place the stock picker inside the warehouse.

The price quote must show the total price with delivery cost and tax included.
