Pre-Bid Meeting- Waianapanapa State Park, Caretaker's Residence

PRE-BID MEETING AGENDA

1. Project scope shall generally consist of removal and re-installation of new electrical wiring, bonding of electrical to plumbing, and installation of ground rod for each individual cabin to mitigate shock hazard.
2. Site Visit will be held immediately after Pre-Bid Meeting.
3. Contractor shall coordinate with Division of State Parks through Engineering Division for any work and construction scheduling for this project.
4. State will process permit applications whenever possible, and the Contractor shall procure the pre-processed permits and pay the required fees. If permit applications are not processed by the State, Contractor shall process the permit applications, permits and licenses, and pay all applicable fees, and related costs pertaining to the construction of this project.
5. Contractor is made aware of Section 01019 Part 1.2.E.3 stating, "A maximum of three cabins can be taken out of service for a given duration".
6. Contractor is made aware that this is an active vacation site, so it is imperative that operations are executed with due regard to the convenience and safety of the public at all times.
7. Contractor shall only perform operations between 8:00 am to 5:00 pm on any given day. No work shall be performed on Saturdays, Sundays, and holidays without written permission from the Engineer.
8. The Bidders are encouraged to submit/upload their bid proposal/bid bond/required documents on HlePRO with sufficient/ample time prior to the 2:00pm closing of the solicitation, so they can verify the HlePRO website if their attachments were uploaded. If the required documents are not on the HlePRO solicitation at closing, the Bidder will be deemed non-responsive. If the Bidder encounters any problems, please contact the State Procurement Office (Help Line) at 586-0563 or 586-0577.
