

Addendum 2

DOFAW-LAAU-23 Fence Construction – Kauai

This addendum responds to written questions from vendors and makes changes to the IFB.

1. Is a bid bond required?
 - a. Yes.
2. Clarify whether the job is 3,400 or 3,610 feet.
 - a. It is 3,610 feet total.

The following changes have been made:

Page 10:

FROM: “If additional fence is required beyond the 3,400 ft in this contract, the State will add a contingency to the contract or create a supplemental contract for additional fence needed at the following per-foot rate: Total bid divided by 3,400.”

TO: “If additional fence is required beyond the 3,610 ft in this contract, the State will add a contingency to the contract or create a supplemental contract for additional fence needed at the following per-foot rate: Total bid divided by 3,610.”
