

Clean Water Branch Aluminum Signs

The Department of Health, Clean Water Branch is soliciting bids for six hundred (600) aluminum signs. All signs shall be the following dimensions: **18" H x 12" W x minimum 0.03" thickness**.

All signs shall have rounded corners. All signs shall have a white background. All signs shall have two (2) pre-drilled three-eighth inch (3/8") diameter mounting holes; mounting holes shall be located six inches (6") from either side of the sign and approximately one inch (1") from the top and one inch from the bottom of the sign. Holes should not be drilled through any text. Please see the layout below for approximate mounting hole locations:

All signs shall be printed on one side with the CWB **Brown Water Advisory** color artwork:

A .JPG file of the artwork (at better resolution than this solicitation .PDF) is available electronically by contacting Mr. Troy Maeda (troy.maeda@doh.hawaii.gov) of the Clean Water Branch via email.
