- A. A small business concern is one that is independently owned and operated, is organized for profit, is not dominant in its field, has a place of business in the U.S., and operates primarily within the U.S. or makes a significant contribution to the U.S. economy. Size standard eligibility is based on the average number of employees for the preceding 12 months or on sales volume averaged over a 3-year period. See 13 CFR 121.201 for size standards identified by NAICS codes. The size standards for a few industries are shown below and are subject to change at any time.
1. SPECIALTY TRADE CONTRACTORS – “Small” if average annual receipts for preceding 3 years do not exceed \$15 million.
  2. CONSTRUCTION, GENERAL CONTRACTORS – “Small” if average annual receipts for preceding 3 years do not exceed \$36.5 million.
  3. MANUFACTURING – “Small” if 500 employees or less, except for some specific products which will increase the complement of employees to 750 or 1,000.
  4. TRANSPORTATION – “Small” if average annual receipts for preceding 3 years do not exceed the amount shown for specific services.  
\$27.5 million – general freight trucking, local.
  5. WHOLESALE TRADE, DURABLE AND NON-DURABLE GOODS – “Small” if 100 employees or less.
  6. RETAIL TRADE – “Small” if average annual receipts for preceding 3 years do not exceed the amount shown for specific products.  
\$7.5 million – hardware stores.
  7. SERVICES – “Small” if average annual receipts for preceding 3 years do not exceed the amount shown for specific services:
    - a) \$27.5 million – computer systems design services, custom computer programming services  
\$20.5 million – security guards and patrol services
    - b) \$18 million – janitorial services
    - c) \$38.5 million – passenger car rental
    - d) \$32.5 million – office machinery and equipment rental & leasing
    - e) \$7.5 million – general automotive repair

Annual receipts of a concern which has been in business for less than 3 complete fiscal years means the total receipts for the period the concern has been in business divided by the number of weeks in business, multiplied by 52. See 13 CFR 121.104.

- B. Notice. Under 15 U.S.C. 645(d), any person who misrepresents a firm’s status as a small business concern, a qualified HUBZone small business concern, a small business concern owned and controlled by socially and economically disadvantaged individuals, or a small business concern owned and controlled by women in order to obtain a contract to be awarded under the preference programs established pursuant to 15 U.S.C. sections 637(a), 637(d), 638, 644, or 657(a), shall:
1. Be punished by imposition of fine, imprisonment, or both;
  2. Be subject to administrative remedies including suspension and debarment; and
  3. Be ineligible for participation in a program conducted under the authority of the Small Business Investment Act of 1958.
