Wade Takamoto

for NIKO G. SALVADOR
Harbors Engineering Program Manager

**Questions for solicitation: B24001092 S70160 - Removal of Superferry Ramp,
Nawiliwili Harbor
12/20/2023**

1. Is there going to be an on-site pre-bid meeting?

Response: There are no scheduled guided site visits for subject project, however, bidders may visit the job site on their own. Bidders interested in a site visit should send an email with a proposed site visit time and date, the construction company name, a list of the visitors and the contact information for the group to Gregg Hirokawa at gregg.hirokawa@hawaii.gov. All visitors will need a picture ID and a TWIC card.

2. What is that long structure alongside the ramp? Is that present on the other side? Is this to be demolished also?

Response: The smaller ramps adjacent to the Superferry ramp are not to be demolished and are not included in the project scope.

3. Solicitation on this website says 90 days to perform work, but the attached proposal says 120 days. Please confirm total contract days.

Response: Contract Start and End Dates shown in the HiePRO solicitation are estimates. The exact dates shall be provided by written notice from the Harbors Division Construction Engineer. The actual Contract Time shall be as noted in Proposal page P-1 of the project Specifications.
