NOTICE TO BIDDERS

(Chapter 103D, HRS)

COMPETITIVE SEALED BIDS for Job: Greenhouse Irrigation Line Repair and Upgrade.

To be eligible to submit a bid, the Bidder must possess a valid State of Hawaii Contractor's License classification A.

The CONTRACTOR shall comply with all federal, state, and county laws, ordinances, codes, rules, and regulations, as the same may be amended from time to time, that in any way affect the CONTRACTOR'S performance of this Contract.

This project is subject to preferences as established in Hawaii Revised Statutes.

It is the Bidder's responsibility to submit all required documentation to qualify for the applicable preference before solicitation closing date as established.

The Department of Land and Natural Resources Interim General Conditions, dated October 1994, as amended, and the General Conditions – AG008, latest revision shall be made part of the specifications.

SCOPE OF WORK

Scope of work (SOW) for Greenhouse Irrigation Line Repair and Upgrade:

*Locate, remove, and replace old existing line

- Locate existing water main from main valve to greenhouse structure.
- Tie-in new irrigation line to existing water main valve.
- Excavation and removal of old existing water main section from main valve to greenhouse structure.
- Install approximately 120' of new Schedule 40 – 2" PVC irrigation pipe.
- Hauling in/out of new backfill material and spoils.
- Backfill/compaction.
- Grading to match existing grade.
- Install in-line valves (3-4) inside of greenhouse structure.
- Install/replace 3-4 connections along newly installed water main.

Line Item 1:

- All work as stated in attachments.

Project Timeline

Project shall be completed by May 31, 2024.

Actual Project Start Date pending Purchase Order approval and other internal factors.

Vendor Selection and Award

Bid Price shall include all transportation cost and all related taxes.

Site Visit / Pre-bid conference:

Date: February 23, 2024

Time: 9:00 AM

Location: Maui DOFAW Kahului Baseyard, 685 Haleakala Hwy, Kahului, HI 96732

Failure to visit the work site will in no way relieve the successful bidder from completion of work in accordance with specifications.
