

PRODUCT SPECIFICATION

# Cook's Brand Marathon Tray

## features

Models: 630-170, 630-171

Great for use in correctional facilities, this six compartment tray offers exceptional durability and food temperature retention comparable to most traditional insulated trays. The smooth surface with coved corners in the compartments are easy to clean. The solid material won't absorb water and is extremely durable for years of use even in the toughest environments. The Marathon Tray also stacks interchangeably with other trays of the same dimensions, and will fit in corresponding tray delivery carts and drying racks.

### Cook's Brand

Products designed for the toughest environments

#### STANDARD FEATURES

**RUGGED CONSTRUCTION:** One-piece construction means no seams to split or crack. Specially designed with extra thick walls that are dent resistant. Additionally trays will not absorb water extending the useful life of the tray.

**EASY TO CLEAN:** The Marathon Tray has smooth edges and radius compartment walls making this tray easy to clean. This tray is also dishwasher safe.

**MAXIMUM HEAT RETENTION:** Made from specially formulated material to provide superior heat retention.

**WARRANTY:** The Marathon Trays are backed up by a two year full replacement warranty against manufacturing defects.

**COLORS:** Available in Brown and Gray
