

Addendum 1

B24003386

Pelekunu Molokai Archeological Field Inspection 2024

This addendum answers questions regarding this project:

1. Will DOFAW be supplying helicopter transportation or does the cost proposal need to include that as a chargeable expense?
 - a. DOFAW will be supplying helicopter transportation, that does not need to be included as an expense.
2. While proposed fence line be layed out in advance so the archaeologist can follow the pre-established path or will DOFAW staff assist the archaeologist in following the planned path of the fence?
 - a. The proposed fence line has been flagged, and staff will assist with the archaeologist in following the path. There are sections that are too steep to traverse, DOFAW will show the archeologist which areas should be skipped.
