

NOTICE TO BIDDERS  
(Chapter 103D, HRS)

COMPETITIVE BIDS for Job No. Job No. G75CH18B, Keopu Deep Monitor Well Improvements, Kailua-Kona, Hawaii shall be submitted to the Department of Land and Natural Resources, Engineering Division on the specified date and time through the Hawaii State e-Procurement (HIePRO). HIePRO is accessible through the State Procurement Office website at [www.spo.hawaii.gov](http://www.spo.hawaii.gov).

The Department of Land and Natural Resources Interim General Condition, dated October 1994, as amended, and the General Conditions –AG008, latest revision shall be made part of the specifications.

The project is located at tax map key (3) 7-5-010:016 in Kailua-Kona, Hawaii, Hawaii.

The work shall generally consist of modification of the existing Keopu Deep Monitor Well and construction of a new deep monitoring well. **Initially, work on the existing Keopu Deep Monitor Well will require the use of inflatable packer's in the well's open borehole to sequentially seal off the open borehole in up to three settings of a packer. Construction of the new well will involve drilling on the order of 600 feet into groundwater, some of which will require dealing with artesian flow up the borehole. Due to the complexity of the tasks required, the Bidder is required to submit a Statement of Qualifications which lists his specific relevant experience with the bid he submits. Refer to Paragraph B of the Information and Instructions to Bidders for the specific requirements of the Statement of Qualifications. If a Bidder does not have verifiable experience or does not submit a Statement of Qualifications with their bid, the Bidder shall be considered nonresponsive and their bid shall be rejected.**

Due to the nature of work contemplated, bidders must possess a valid State Contractor's license, classification C-57.

A voluntary pre-bid conference will be held at the project site, located at the intersection of Hienaloli Road and the Keolani Subdivision, on February 24, 2016, at 10 AM.

All interested parties are invited to attend a State conducted site visit. The site visit will be held at the project site (direction and location mentioned above) on February 24, 2016, at 10 AM.

The estimated cost of construction is between \$1,300,000.

The award of the contract, if it be awarded, will be subject to the availability of funds.

This project is subject to preference to Hawaii Products established by Section 103D, Hawaii Revised Statutes. The Hawaii Product List may be examined at the State Procurement Office website.

Since the estimated cost of construction is \$250,000 or more, the apprenticeship agreement preference pursuant to Hawaii Revised Statutes §103-55.6 (ACT 17, SLH 2009) shall apply.

Should there be any questions, please refer to the HIePRO solicitation.
