Revision to Exhibit E3: Sleeve Method of Fence Post Installation	2

The purpose of Addendum 1 is to revise Exhibit E3: Sleeve Method of Fence Post Installation. Sleeve diameter has been decreased for 2-3/8" line posts and a 2-7/8" line posts. In addition, the Sleeve Size Table will also include a sleeve size for a 1-7/8" existing line post. Refer to the revised Exhibit E3 below:

Exhibit E3: Sleeve Method of Post Installation

Sleeve Size Table

Post Type	Existing Post Diameter (in)	Sleeve Diameter (in)
Line	1-7/8	#8 Grade 60 Rebar
Line	2-3/8	1-5/8
Terminal / Corner	2-7/8	1-7/8
Gate	4	2-7/8
