Structural Fire Fighting Ensemble
01/30/2025

Scope of Work

Provide a quotation for the following good/service/construction:

General Overview

- 9 sets of Globe Structural Fire Fighting Protective Ensemble
As specified in the State of Hawaii DOT Airport Specifications. (a set consists of a Coat & Pants) See Attached Specifications & All Sizes will be provided to the vendor once notice of award is given. No alternatives will be accepted or considered.

Guarantee, Standards & Warranty

The offer shall guarantee that the items being offered shall be clean, new, unused (no demonstration, sample, or display models), of the current production year and model. The items shall be in good working condition and free from defects in material, workmanship, and operation, and of the highest quality that is acceptable to the requesting agency. The construction and craftsmanship on each respective item shall be performed in accordance with the best standard industrial practice used in the manufacture of similar items. All items shall fit, match, and/or be compatible with the other items being offered without any alterations, modifications, or additional costs.

All items shall meet or exceed the following requirements in relation to the product requested:

- **NFPA 1971, 2018 ed.** - Standard on Protective Ensembles for Structural Fire Fighting and Proximity Fire Fighting
- **NFPA 1500, 2018 ed.** – Standard on Fire Department Occupational Safety and Health program.
- **NFPA 1851, 2020 ed.** – Standard on Selection, Care, and Maintenance of Protective Ensembles for Structural Fire Fighting and Proximity Fire Fighting.

Product must be free from defects in materials and/or faulty workmanship for a period of no more than 10 years from the date of delivery. The warranty shall be limited to the repair or replacement, at bidder's option, if components shown to be defective in either workmanship or materials.

Brand or Trade Name

Whenever a brand or manufacturer's name, designation or material appears in connection with the specified item, such name or designation indicates the standard of quality desired and the reference shall follow applicable trademark or Copyright laws.

The Officer-In-Charge (O-I-C)

State of Hawaii, Department of Transportation - Airports Division, Airport Fire Chief or his designate.

Please contact Ronnie Arevalo at (808) 265-1980 or you can email him at Ronnie.arevalo@hawaii.gov

Sizing and Fitting

Sizes will be provided to the vendor once notice of award is given unless stated in the Scope of Work.

Payments

Payment will be paid for all items delivered in whole. There will be no partial payments rendered for items delivered in portions.

Delivery/Received Dates

All items will be delivered in whole (one shipment) from the date the notification (letter to proceed) is received by the vendor.

Delivery Address:

Daniel K. Inouye International Airport - FIRE STATION #1
51 Elliott Street
Honolulu, Hawaii 96819

If the entirety of order is not received, the Airport Fire Chief reserves the absolute right to rescind purchase from selected vendor and award bid to the next best value bidder. Any delivery extensions must be approved by the Airport Fire Chief or his designate.

Configuration and description of goods and service

Written price quote must be noted to include the items total cost, to include shipping and tax to the requested location.
