

The State of Hawaii, Department of Land and Natural Resources (DLNR), Division of Forestry and Wildlife (DOFAW) is seeking a qualified bidder to provide a quote for the rental of a backup generator and associated equipment to temporarily provide power to two laboratory facilities in Pearl City, should the site lose municipal power. Bids should be on a per-month cost. Please provide separate bids for each line item listed below. Please include the cost of delivery to Pearl City, Oahu (address listed in inclusions).

Line items:

1. One (1), 100kW gas-powered backup generator
2. Two (2), 100 ft. spider box cables
3. Two (2), Spider boxes with at least 15 receptacles each

Conditions:

1. Vendors must bid on all Line Items to qualify.
2. The State may or may not award all Line Items depends on cost and budget.
3. The State may or may not award all estimated quantities.

Inclusions:

Offeror will:

1. Be responsible for delivery to the Division's grounds at:

DLNR-DOFAW
2680 Waimano Home Rd.
Pearl City, Hawaii 96782
2. Provide a quote which includes the price of the rental on a per-month basis. DLNR may rent the equipment for up to one year. Within the year, bidder will allow DLNR to cancel service with one month notice should the service no longer be needed. Bidder should include costs of delivery to Pearl City, and all applicable taxes and fees.
3. Be responsible for training DLNR staff how to properly use the equipment.
4. Ensure equipment is in good working order throughout the duration of the rental period.
