

Cubicles Purchase and Installation at Windward ECSP Scope of Services

I. Introduction

A. Overview and Purpose

The Hawai'i State Department of Health (HDOH) Family Health Services Division (FHSD)/Early Intervention Section (EIS) seeks a qualified vendor to install cubicle workspaces at the Windward Health Center for EIS staff.

The purpose of this project is to provide American with Disability Act (ADA) compliant workspaces to accommodate the staff in the Developmental Services Unit (DSU) assigned to the program with upcoming Re-Org.

B. Description of the Service Goals

The goal of this project is to optimize workstations for staff assigned to the respective geographic area.

C. Description of the Target Population to be Served

The Developmental Services Unit (DSU) functions within in the Early Intervention Section (EIS), Children with Special Health Needs Branch (CSHNB), Family Health Services Division (FHSD). The EIS is responsible for the implementation of Part C of the Individuals with Disabilities Education Act (IDEA), the Hawaii Early Intervention Policies and Procedures, and any relevant Hawaii Revised Statutes which includes the identification and provision of services for infants and toddlers, birth to three years of age, hereinafter referred to as "children," with special needs.

The DSU adheres to the relevant laws, EIS procedural guidelines, and guidance documents when providing family centered, culturally sensitive, and evidence based early intervention (EI) services and supports to children with special needs and their families in natural learning environments.

II. Scope of Services

A. Specifications and Requirements

The Bidder shall describe in detail how from May 1, 2025, or upon DOH FHSD approval, through April 30, 2026, it will provide the following:

1. Design cubicle workstations based upon proposed floor plan for each location.
 - a. Workspace size for providers should be equitable in size, as much as possible.

- b. Size deviation and/or customization is possible, due to room limitations, square footage of cubicle space from the State of Hawaii Department of Accounting & General Services (DAGS) is as follows:
 - 6' x 8' (6 feet by 8 feet)
 - 7' x 7' (7 feet by 7 feet)
- c. Partitions for workstations should allow for providers to be visible in spaces with partition heights approximately 42" (42 inches) on at least one side so that staff are not "boxed" into the workspace.
- d. Partition height with the overhead bin should be approximately 66.5" (66.5 inches or 5 feet, .54 inches).
- e. 3 drawer file pedestal to fit under the cubicle desk.
- f. Overhead bins and 3-drawer file pedestal must have locks (and keys).
- g. Cubicles must be equipped with electrical outlets and ethernet ports for computer network infrastructure.

Provide an estimate of proposed equipment and work.
