QUESTIONS AND CLARIFICATIONS

1. Since a majority of the work involves the installation of underground duct lines and other non-wiring work, we request approval to bid as the general contractor with the understanding that we will subcontract all wiring and other work that is required to be performed by a licensed electrician to a subcontractor holding a C-13 license.
 - a. Response: Contractors holding an "A" General Engineering Contractor license will be allowed to bid on the project with a subcontractor holding a C-13 license.
