

Soundproof meeting pods for Hale Kaa incubator space at the Natural Energy Laboratory of Hawaii Authority (NELHA) 's HOST Park

Purpose: To provide soundproof meeting pods that will allow private meetings. The pods are to be placed in an open collaborative incubator/startup environment (see picture or area and tentative layout of the pods below).

NELHA is seeking 3 pods that can accommodate 4 people and 2 pods that can accommodate 6 people.

The pods shall provide both functional and esthetic value to the incubator space. Wood finish or color is preferred.

Required features:

- Pre-fabricated pod.
- Stand alone.
- Soundproof pod. Amount of dB noise reduction shall be stated in the specs provided by the Proposer.
- Ventilation fan.
- American standard power supply connection.
- Can accommodate up to 4 people and includes seating for up to 4 people.
- Easily installed in an indoor setting.
- Clear materials on the front and back of the pod to allow natural light from windows. Note the position of the pods with respect to the building windows on layout diagram below.

Shipping:

The price quoted shall include shipping and delivery costs and onsite0 installation to the Natural Energy Laboratory of Hawaii Authority's Hale Kaa Incubator Building at 73-984 Makako Bay Drive, Kailua Kona, Hawaii 96740.

Examples:

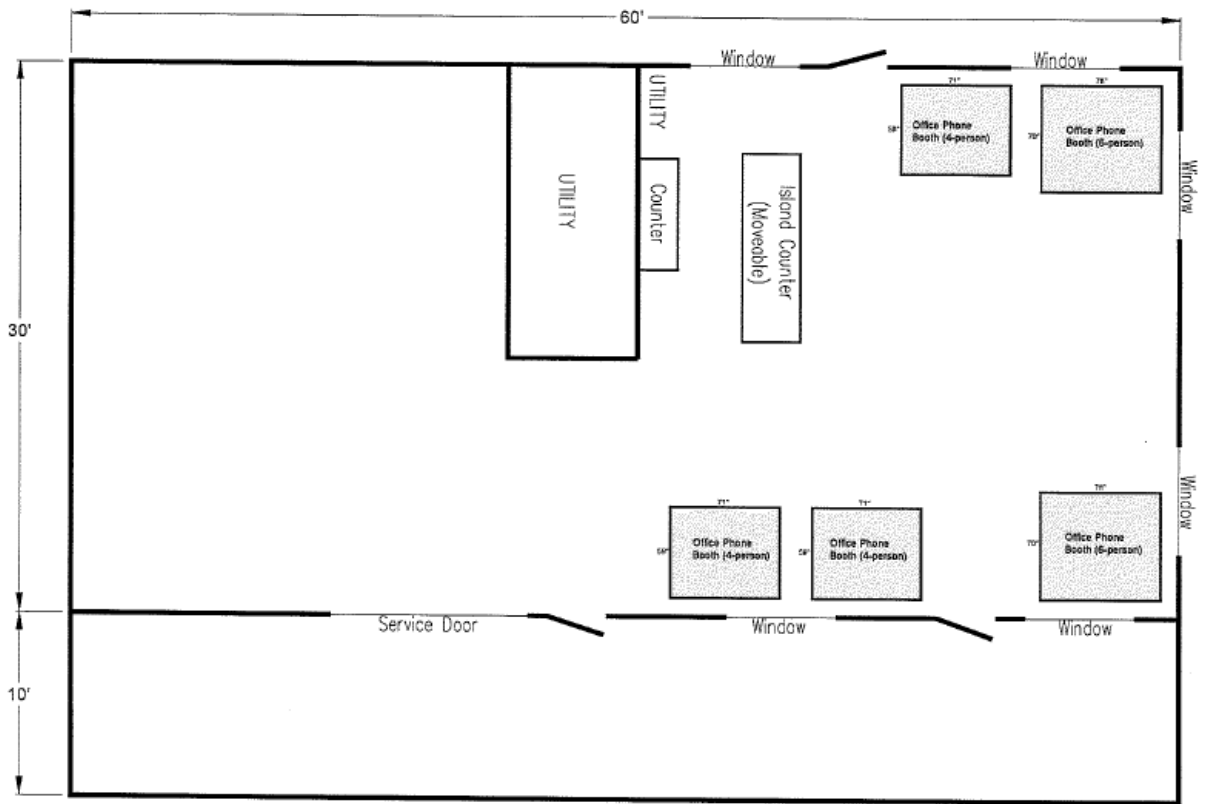

Examples of office phone booth pods that can be used in an office and startup environments: [TFT Office Phone Booth](#), [Framery O Office Phone Booth](#), [ROOM Phone Booth](#), [Zenbooth Solo](#), [Talkbox](#) and [Kalo Pod](#).

Specifications to be provided:

Bidder shall provide specifications along with the price quote. The full specification list will allow NELHA to evaluate whether the proposed pod is suitable for the incubator space it will be placed in. In particular, quotes must include **exact dimensions** for the pods.

West side of Hale Kaa incubator space where pods will be located.

Tentative layout for three 4-person pods and two 6-person pods.
