**ADDENDUM A**

TO

INVITATION FOR BIDS

**IFB D26-056**

TO

PROVIDE MAINTENANCE SERVICES OF GREASE TRAPS

AT VARIOUS HAWAII STATE DEPARTMENT OF EDUCATION SCHOOLS

ON THE ISLAND OF OAHU

---

**The following question and response is hereby provided and incorporated into IFB D26-056:**

Question 1: Can the five (5) years of grease trap experience and the current City and County of Honolulu Liquid Waste Hauler Industrial Wastewater Discharge Permit required in Exhibit A be satisfied by a proposed subcontractor (with supporting documentation and commitment letter), or must the prime Offeror hold these requirements directly?

Response 1: The Offeror must hold these requirements directly. If Offeror is owned by a parent company in which the parent company has the required (5) years' experience, the Offeror shall also qualify for the experience required pending verification. Refer to Special Conditions, Offeror Information, Section 6. Offeror Qualifications, B. Company Experience.
