ADDITIONAL OFFEROR INFORMATION

40. Site Inspection

Prior to submittal of a bid, Offeror may inspect the project site to become thoroughly familiar with existing conditions, rules and regulations, and the extent and nature of work to be performed.

Offeror inspection is not mandatory; however, bid submission shall be evidence that the Offeror understands the scope of the project and shall comply with all requirements stated herein, if awarded the Contract. Offerors must contact the CA or POC to arrange for an inspection visit. No additional compensation, subsequent to bid opening, shall be allowed by reason of any misunderstanding or error regarding site conditions or work to be performed.
