2. Specifications, section 2.15 (pages S-5 to S-6) is deleted in its entirety to address the revised Bid Item Numbers on the Offer Pages and is replaced with the following:

- 2.15 Hawaii products grown, raised, and harvested in the State of Hawaii (Bid Item Numbers: 8 through 13)

Per USDA, FNS Memo Dated May 22, 2024, Memo code: SP 22-2024, CACFP 08-2024, SFSP 13-2024: This memorandum provides a detailed explanation of the expanded geographic preference option. CNP operators, State agencies purchasing for CNPs, and the USDA Department of Defense Fresh Fruit and Vegetable Program (USDA DoD Fresh) may use local as a specification and continue to set a geographic preference when soliciting or buying unprocessed agricultural products. CNP operators and State agencies purchasing on their behalf are not required to use geographic preference when procuring unprocessed agricultural products; it remains an option. The implementation date of the final rule provision is July 1, 2024.
