DOFAW c/o Ian Cole

19 E Kawili St

Hilo HI 96720

As different manufacturers may have various roll length configurations, this is being procured in a per-foot cost basis.

Please submit an all-inclusive per-foot price (including tax, shipping/delivery, potential shipping fuel surcharge and tariff) for the product and state the roll length configuration in the comment section, we will determine the maximum number of rolls to be purchased with a \$100,000.00 budget.
