44. Failure to Deliver

CONTRACTOR shall be obliged to deliver products under this award in accordance with the terms and conditions specified herein. If a CONTRACTOR is unable to deliver (e.g. product is temporarily out of stock), it shall be the CONTRACTOR's responsibility to notify the CA and/or POC and the ordering cafeteria or participating State agency of the shortages on the awarded items at least five (5) days before the requested delivery date. It shall be the CONTRACTOR's responsibility to obtain an acceptable substitute. CONTRACTOR shall make every effort to obtain and provide an acceptable substitute at the same bid price and under the same terms and conditions of the award. CONTRACTOR shall obtain prior approval from the Hawaii State Department of Education, SFSB, and the ordering cafeteria or State agency to deliver an acceptable substitute. In the event a CONTRACTOR consistently needs to substitute or refuses to substitute products, the STATE reserves the right to terminate the award and/or initiate the debarment process pursuant to Chapter 3-126, Legal and Contractual Remedies, HAR.

If an item is backordered or cannot be delivered within the required time frame for any reason, CONTRACTOR shall notify the CA and/or POC and the ordering cafeteria or participating state agency of the backorder or delayed delivery status. Notification shall be made within twenty-four (24) hours of receipt of order. At that time, the cafeteria or state agency shall have the option to cancel the order and obtain similar products from another source.
