ADDENDUM NO. 1

TO

Gooseneck and Utility Trailers  
DOASW18

April 20, 2026

The items listed hereinafter are hereby made a part of the contract for the above project and shall govern the work, taking precedence over previously issued plans and specifications governing the items mentioned.

**Specifications:**

The following section is added:

H. The State will be responsible for registration and obtaining licenses and safety certificate for the vehicle.

The Vendor will ensure a State DAB representative will be present at the delivery site to inspect and receive the vehicle.

The following documents shall be included with the vehicle upon delivery:

1. Certificate of Ownership;
2. Certificate of Origin;
3. Warranty certificate;
4. Certificate of Weight and Measures, which shall include make, model number, year, and vehicle identification number.
5. Temporary license plates to be used during the interim period prior to acquisition of State of Hawai'i license plates;
6. Operation and Maintenance Manual.

**Questions:**

Q: When we have supplied trailers to State Agencies in the past, it was planned and acceptable for the State to have one of their agents here on Kauai- where the trailers are received and assembled from the mainland- inspect the trailers for compliance, after which we ship to the nearest port for local pick-up. Is this acceptable?

A: Please deliver the goods as specified.
