ADDENDUM NO. 1

TO

Solicitation No. B26002048
Job No. F37C614J
DIAMOND HEAD SM CRATER SUMMIT TRAIL
ROCKFALL MITIGATION
Oahu, Hawaii

Apr 29, 2026

The items listed hereinafter are hereby made a part of the contract for the above project and shall govern the work, taking precedence over previously issued plans and specifications governing the items mentioned.

REQUEST FOR INFORMATION

1. What is the expected start date for the project?

The expected start date is January 4, 2027. The start date must coincide with the required pre-construction botanical surveys of the project limits, which shall be performed midway through the rainy season in the months of January, February, March, April, or May when native plants are most likely to be present and properly identified.

2. What type of contractor license is required for the project?

To be eligible to submit a bid, the Bidder must possess a valid State of Hawaii Contractor's license classification C68RL.

3. Is there a specific form to use for the bid bond?

The Surety Bid Bond form can be downloaded from the State Procurement Office website: <https://spo.hawaii.gov/all-forms/> under "Vendor" and "Good, Services, and Construction" category. It is the form titled "Bond Exhibit A." Bidders should submit this form along with their bonding company's form.

GENERAL INFORMATION

1. A voluntary pre-bid conference was held on April 15, 2026, at 10:00 am, followed by a voluntary site visit. The pre-bid conference meeting agenda and sign-in sheet are attached.
2. The 1994 Department of Land and Natural Resources Interim General Conditions may be viewed and downloaded at the HlePRO solicitation.
