SECTION ONE: INTRODUCTION, TERMS AND ACRONYMS, AND KEY DATES

1.1 INTRODUCTION

The Hawai‘i Tourism Authority (HTA) is the state agency responsible for representing the Hawaiian Islands around the world and for holistically managing tourism in Hawai‘i in a sustainable manner consistent with community desires, economic goals, cultural values, preservation of natural resources, and visitor industry needs.

The HTA was established in 1998 under Chapter 201B, Hawai‘i Revised Statutes (HRS). The HTA is administratively attached to the Department of Business, Economic Development and Tourism (DBEDT). The HTA’s President and Chief Executive Officer reports directly to the Governor and is responsible for executing the mandate of HRS 201B.

The HTA works with the community and industry to ensure that we live up to Mālama Ku‘u Home – caring for our beloved home – by guiding Hawai‘i’s transition to a regenerative model of tourism. The agency does this through visitor education, brand management, community reinvestment, and collaboration to maximize tourism’s economic benefit while mitigating its negative impacts. Partners include visitor industry businesses and organizations, community groups, and government agencies at the county, state, and federal levels.

Representation of the Hawaiian Islands in our primary visitor source markets, known as Major Market Areas (MMAs), is through contracted firms collectively known as our Global Marketing Teams (GMTs). HTA currently engages GMTs in the USA, Canada, Oceania (Australia & Aotearoa-New Zealand), Japan, Korea, China, and Europe markets.

In addition, the HTA creates, manages, and supports the development of unique tourism experiences such as community and cultural festivals, sporting events, natural resources, and community and cultural programs. The HTA also evaluates its programs on their impacts and return on investment (ROI) of public funds. The HTA also directly affects the visitor experience through its support of workforce development, visitor assistance programs, the integration of community and residents’ considerations, and a deep respect for Native Hawaiian culture.

The 2020 – 2025 HTA Strategic Plan frames our work with four interacting pillars: Hawaiian Culture, Natural Resources, Community, and Branding. Emphasis on the three pillars that support and uphold the integrity of Hawai‘i as our home is critical to maintaining the Hawaiian Islands brand globally. The 2020 – 2025 HTA Strategic Plan also adopted four Key Performance Indicators (KPIs) that the agency and its Contractors are responsible for advancing:

- **Resident Sentiment:** Improved resident sentiment toward tourism as measured in the Resident Sentiment Survey.
- **Visitor Satisfaction:** Improved perspective/returning visitor satisfaction with visiting Hawai‘i as measured by the Visitor Satisfaction Survey.
- **Average Daily Visitor Spending:** The average dollars spent by visitors.
- **Total Visitor Expenditures:** The U.S. dollar amount spent in Hawai‘i attributed to visitors. Includes direct spending by visitors while in Hawai‘i as well as any prepaid package purchased before arrival.

In 2021, HTA embarked on a statewide, island-by-island, community outreach process guided by diverse stakeholder steering committees to create individual Destination Management Action Plans (DMAPs) to recover and rebuild tourism to benefit our islands’ communities and address community concerns. The DMAPs include specific actions and sub-actions that the agency and its partners are working to address.

The HTA Strategic Plan pillars, priorities and KPIs, DMAP priorities and actions, and the HTA board’s commitment to the Aloha+ Challenge and the ‘Āina Aloha Economic Futures Declaration are considered when designing and implementing all HTA programs and activities.

SECTION TWO: BACKGROUND AND SCOPE OF WORK

2.1 OVERVIEW AND BACKGROUND

Hawai'i's tourism economy contributed \$20.72 billion dollars in visitor spending and \$2.4 billion in state tax revenue (direct, indirect and induced) in 2024. In calendar year 2024, the tourism industry supported 211,000 jobs (direct, indirect and induced). HTA recognizes that Hawai'i's visitor industry will remain the lead industry in the near future as the state looks to diversify into other areas such as creative industries, fashion manufacturing, aerospace, and value-added agriculture. With tourism requiring a large share of workers in Hawai'i, workforce development is a high priority to ensure sufficient education, training, and advancement opportunities for Hawai'i's workers.

The four (4) areas that HTA will focus on to create a robust visitor industry workforce include:

2. Increase awareness of and access to existing programs;

3.2 PROPOSAL SUBMISSION

3.2.1 OFFEROR'S AUTHORITY TO SUBMIT AN OFFER

The State will not participate in determinations regarding an Offeror's authority to sell a product or service. If there is a question or doubt regarding an Offeror's right or ability to obtain and sell a product or service, the Offeror must resolve that question prior to submitting a proposal.

3.2.2 REQUIRED REVIEW

Before submitting a proposal, each Offeror must thoroughly and carefully examine this RFP, any attachments, addenda, and other relevant documents to ensure the Offeror understands the requirements of the RFP. The Offeror must also become familiar with State, local, and Federal laws, statutes, ordinances, rules, and regulations that may in any manner affect the cost, progress, or performance of the work required.

Should the Offeror find defects and questionable or objectionable items in the RFP, the Offeror must notify HTA in writing prior to the deadline for written questions as stated in Section 1.4 RFP Schedule and Significant Dates, as may be amended. This will allow the issuance of any necessary corrections and/or amendments to the RFP by addendum and mitigate reliance on a defective solicitation and distribution of proposal(s) upon which award could not be made.

3.2.3 PROPOSAL PREPARATION COSTS

Any and all costs incurred by the Offeror in preparing or submitting a proposal shall be the Offeror's sole responsibility whether or not any award results from this RFP. The State shall not reimburse such costs.

3.2.4 TAX LIABILITY

Work to be performed under this solicitation is a business activity taxable under HRS Chapter 237 and, if applicable, taxable under HRS Chapter 238. Contractor is advised that it is liable for the Hawai'i General Excise Tax (GET). If, however, an Offeror is a person exempt by the HRS from paying the GET and therefore not liable for the taxes on this solicitation, Offeror must state its tax-exempt status and cite the HRS chapter or section allowing the exemption.

Federal I.D. Number and Hawai'i General Excise Tax License I.D. Offeror must submit its current Federal I.D. number and Hawai'i General Excise Tax License I.D. number in the space provided on the Proposal Transmittal Letter, thereby attesting that the Offeror is doing business in the State and that Offeror will pay such taxes on all sales made in the State.

3.2.5 PROPERTY OF STATE

All proposals become the property of the State of Hawai'i.

3.2.6 CONFIDENTIAL INFORMATION

All government records are open to the public unless access is restricted by law. Identification of confidential information shall be the sole responsibility of the offeror.

The Uniform Information Practices Act requires an agency to make a government record available for inspection and copying unless the agency can show that an exception to disclosure under Chapter 92F-13, HRS, authorizes the agency to restrict or deny access to that record.

All Offerors are advised that confidential information in a proposal, offer, specification, protest, or correspondence may be subject to disclosure. The State may only restrict or deny access to items deemed confidential pursuant to Chapter 92F, HRS. Any data submitted to the State that the Offeror wishes to remain confidential shall be clearly marked and readily separable from the submittal to facilitate eventual public inspection of the non-confidential portion of the submittal. Any page of an offeror's submittal containing confidential information shall only include confidential information. In addition, Offeror shall provide a list of all confidential information referenced in the Offeror's proposal, including page numbers and sections in a separate attachment. See Attachment 7 for details.

If an Offeror believes that any portion of a proposal, offer, specification, protest, or correspondence contains information that should be withheld from disclosure pursuant to § 92F-13 HRS, then the Offeror shall inform the Procurement Manager in writing and provide the Procurement Manager with justification to support the Offeror's confidentiality claim at the time of submittal. Price is not considered confidential and will not be withheld; however, actual costs or pricing information enabling competitors to estimate profit margins and production costs may be marked as confidential. These include selling prices, inventory balances, profit margins, purchase activity, cost of goods, and freight charges.

Pursuant to §3-122-58, HAR, the head of the purchasing agency or designee shall consult with the Attorney General and make a written determination on any request for confidentiality in accordance with Chapter 92F, HRS. If the request for confidentiality is

denied, such information shall be disclosed as public information unless the person appeals the denial to the Office of Information Practices in accordance with § 92F-15.5(a), HRS.

3.2.7 EXCEPTIONS

Should an Offeror take any exception to the terms, conditions, specifications, or other requirements listed in the RFP, the Offeror must attach a written explanation including the RFP section where the exception is taken, a description of the exception, and the proposed alternative, if any. If none, state so in the proposal transmittal letter.

Further, the nature of the exceptions will be considered when evaluating proposals. In the sole discretion of the State, exceptions may be evaluated to determine the extent to which the alternative language or approach poses unreasonable and/or additional risk to the State, inhibits achieving the objectives of the RFP, or creates ambiguity making evaluation difficult and a fair resolution (available to all Offerors) impractical given the timeframe for the RFP. See Attachment 02 for details.

3.2.8 SUBMITTAL REQUIREMENTS

ELECTRONIC SUBMITTAL ONLY VIA HIePRO. Proposals shall be submitted and received electronically through HIePRO by the date and time listed in RFP Schedule. This electronically submitted offer shall be considered the original. Any offers received outside the HIePRO, including faxed or e-mailed bids, shall not be accepted or considered for award. Any offer received after the due date and time shall be rejected. **The maximum single file size that HIePRO can accept is 100MB; multiple files may be uploaded.**

Submission of a proposal shall constitute an incontrovertible representation by the Offeror that the Offeror agrees to comply with every requirement of this RFP and that the RFP documents are sufficient in scope and detail to indicate and convey a reasonable understanding of all terms and conditions of performance of the work.

Offerors are advised to carefully read Section 3.1.2 Content List and Section 3.1.3 Content Explanation and submit all documents required for this RFP.

3.2.9 RECEIPT AND REGISTER OF PROPOSALS

Proposals will be received on HIePRO, and the Offeror will receive an email directly from HIePRO confirming receipt of the offer. Once the solicitation closes, two or more procurement officials will verify all proposals and attachments on or after the date and time specified in the RFP schedule or as amended. The register of proposals and proposals of the Offeror(s) shall be open to public inspection upon posting of an award pursuant to HRS §103D-303 and HAR §3-122-58.

3.2.10 MODIFICATION PRIOR TO SUBMITTAL DEADLINE OR WITHDRAWAL OF OFFERS

The Offeror may modify or withdraw a proposal before the proposal's due date and time. Any change, addition, deletion of attachment(s), or data entry of an offer must be made prior to the deadline for submittal of proposals.

3.2.11 MISTAKES IN PROPOSALS

Offerors are responsible for reviewing their proposals for accuracy and completeness prior to submission. Any request to correct, modify, or withdraw a proposal based on an alleged mistake shall be submitted in writing to the Procurement Officer and shall be governed by applicable provisions of the Hawaii Administrative Rules, including HAR Chapter 3-122. The Procurement Officer reserves the right to determine whether correction, withdrawal, or

other action is permitted pursuant to applicable law and the best interests of the State.

3.2.12 NO LATE SUBMITTALS AFTER DEADLINE

Proposals received after the due date and time will be marked late and shall be ineligible for this solicitation. Any offers received outside of the HlePRO shall not be accepted. No hard copies will be accepted.

3.2.13 OFFER GUARANTY

An offer guaranty or performance bond is NOT required for this RFP.

Cost proposals shall be evaluated in accordance with HRS Chapter 103D and applicable provisions of HAR Chapter 3-122. The proposal with the lowest cost factor shall receive the maximum available points allocated to cost. Higher-cost proposals shall receive proportionately lower cost scores using the following formula: $\text{Lowest Proposed Cost} \times \text{Maximum Available Cost Points} \div \text{Offeror's Proposed Cost} = \text{Cost Points Awarded}$

Price Reasonableness and Realism: The State may also evaluate proposed pricing for reasonableness and realism. Price reasonableness may be evaluated to determine whether proposed prices are fair reasonable in relation to the services proposed and current market conditions. Price realism analysis may be conducted to assess whether a proposed price is low as to reflect a lack of understanding of the contract requirements or to create performance risk. Such analysis may be considered in evaluating proposal risk, technical understanding, or the Offeror's responsibility.

4.3 EVALUATION COMMITTEE

The HTA intends to conduct a fair and impartial evaluation of proposals received in response to this RFP. Proposals shall be reviewed and evaluated by an Evaluation Committee in accordance with HRS Chapter 103D, HAR Chapter 3-122, and the requirements of this RFP.

The Procurement Manager designated for this RFP shall serve as the procurement officer responsible for administration of the solicitation process and shall not serve as a voting member of the Evaluation Committee.

In accordance with HAR §3-122-53, proposals may be classified as acceptable, potentially acceptable, or unacceptable based on an initial evaluation of the proposals submitted. Proposals determined to be acceptable or potentially acceptable may be considered for further evaluation, discussions, or inclusion within the competitive range, as determined by the State.

The Evaluation Committee shall consist of at least three (3) qualified State employees or other individuals authorized in accordance with applicable procurement requirements. Proposals shall be evaluated solely in accordance with the evaluation criteria and evaluation process set forth in this RFP.

The identities of Evaluation Committee members shall remain confidential throughout the procurement process to the extent permitted by law. Offerors shall direct all communications regarding this RFP exclusively to the Procurement Manager. Any attempt by an Offeror to improperly contact or influence Evaluation Committee members may result in disqualification of the proposal and any other remedies available to the State under applicable law.

4.4 EVALUATION AND AWARD PROCESS

Proposals shall not be opened or evaluated until after the proposal submission deadline. Late proposals shall be handled in accordance with the requirements of this RFP and applicable procurement laws and rules.

The State reserves the right to award a contract based solely upon initial proposals received, without discussions, pursuant to HAR §3-122-46.

4.4.1 Initial Classification of Proposals:

In accordance with HAR §3-122-53, proposals may be classified as acceptable, potentially acceptable, or unacceptable based upon an initial evaluation of the proposals submitted. Proposals determined to be unacceptable, nonresponsive, or otherwise nonconforming to the requirements of this RFP may be eliminated from further consideration.

Only responsible Offerors submitting acceptable or potentially acceptable proposals may be considered for inclusion within the competitive range or priority list.

4.4.2 Phase 1 – Evaluation of Written Proposals:

During Phase 1, the Evaluation Committee shall evaluate and score all acceptable and potentially acceptable proposals using the evaluation criteria and scoring methodology set forth in Section 4.2 of this RFP.

Proposals shall be ranked based on combined weighted scores. Following completion of the initial evaluation, the State may establish a competitive range or priority list consisting of the highest-ranked Offerors.

4.4.3 Phase 2 – Discussions and Additional Information:

If determined necessary by the State, Phase 2 may include discussions with priority-listed Offerors and requests for additional information or clarification. Such discussions may include question-and-answer sessions, oral presentations, reference checks, requests for clarification, or submission of best and final offers (BAFOs), as determined appropriate by the State.

The same evaluation criteria and scoring methodology set forth in Section 4.2 may be used during Phase 2. Evaluators may complete revised evaluation score sheets reflecting their overall evaluation of the Offeror, including written proposals, discussions, oral presentations, clarifications, and any additional information submitted.

The RFP, any addenda issued, and the successful Offeror's proposal, as accepted by the State, shall become part of the resulting contract. All proposals shall become the property of the State of Hawai'i.

4.5 IN THE EVENT OF A SCORING TIE

Should a tie in total average score occur, the tied proposals will be compared, and the one with the higher average Proposed Strategy score will be ranked higher. If that too is a tie, then the one with the higher average Past Performance and Capabilities – will be ranked higher.

The contract will be awarded to the responsible Offeror whose proposal is determined to be the most advantageous to the State based on the evaluation criteria set forth in Section 4.2 of the RFP.

The Evaluation Committee, based on the aforementioned process, will make a recommendation of award. In the event the State is unsuccessful in negotiating the post-award contract, the HOPA reserves the right to make the award to the next highest-ranked responsible Offeror and engage that responsible Offeror in post-award negotiations leading to an executed contract. The HOPA further asserts that she/he may cancel the RFP if negotiations are unsuccessful in accordance with Hawai'i Revised Statutes and Hawai'i Administrative Rules.

SECTION FIVE: CONTRACT AWARD

5.1 AWARD OF CONTRACT

The State reserves the right to move on to the next responsive, responsible Offeror who is compliant. The State will verify compliance on Hawai'i Compliance Express (HCE). Offerors who do not participate in HCE may submit paper compliance certificates to HTA at the time of award.

Hawai'i Compliance Express. Vendors may use HCE, an electronic system that allows Vendors/Contractors/Service Providers doing business with the State to quickly and easily demonstrate compliance with applicable laws. It is an online system that replaces the necessity of obtaining paper compliance certificates from the Department of Taxation, Federal Internal Revenue Service, Department of Labor and Industrial Relations, and Department of Commerce and Consumer Affairs.

Vendors/Contractors/Service Providers intending to use HCE to demonstrate compliance are encouraged to register with HCE prior to submitting an offer at <https://vendors.ehawaii.gov>. The annual registration fee is \$12.00, and the 'Certificate of Vendor Compliance' is accepted to execute a contract and final payment.

Timely Registration on HCE. Vendors/Contractors/Service Providers are advised to register on HCE as soon as possible. Although not a requirement for submission, if a Vendor/Contractor/Service Provider is not compliant at the time of award, an Offeror may not receive the award.

All certificates must be valid on the date the HTA receives it. Timely application for all applicable clearances is the responsibility of the Offeror.

Upon receipt of compliance documents, the HTA reserves the right to verify their validity with the respective issuing agencies. The Contractor shall maintain their compliance throughout the term of the Contract.

This RFP, any addenda issued, and all or part of the successful Offeror's proposal may be

incorporated into the contract. The General Conditions issued by the Department of the Attorney General shall be made a part of the contract.

At a minimum, the protest shall contain the following information:

- Name and address of the protestor;
- Appropriate identification of the procurement;
- A statement of the reasons for the protest; and
- Supporting exhibits, evidence, or documents to substantiate any claims unless not available within the required filing time, in which case the expected availability date shall be indicated.

Awards, if any, resulting from this solicitation shall be posted to the SPO website via HIePRO.

5.7 APPROVALS

Any contract resulting from this solicitation shall be subject to the approval of the Department of the Attorney General and all further approvals required by applicable federal and State laws, regulations, rules, policies, or other authorities, including the approval by the Governor, if

applicable.

5.8 CONTRACT EXECUTION / NOTICE TO PROCEED

No work is to be undertaken by the Contractor prior to the commencement date specified in the Notice to Proceed. Any preparation and planning, or other work performed by the Contractor prior to the issuance of the Notice to Proceed shall be performed at the Contractor's sole risk and expense. The State of Hawai'i shall not be liable for any work performed, costs incurred, loss of profits, or damages of any kind arising from work performed prior to the official commencement date.

Any extension of the Contract shall be subject to mutual agreement of the parties, availability of funds, satisfactory Contractor performance, and execution of a written Contract supplement or amendment by the State.

5.9 INSURANCE

5.9.1 Prior to the Contract start date, the Contractor shall obtain and maintain insurance coverage acceptable to the State in full force and effect throughout the term of the Contract. The Contractor shall provide proof of insurance for the following minimum required insurance coverage(s) and limit(s) in order to be awarded a Contract. The type of insurance coverage is listed as follows:

a. Commercial General Liability Insurance

Commercial general liability insurance coverage against claims for bodily injury and property damage arising out of all operations, activities, or contractual liability by the Contractor, its employees, and Subcontractors during the term of the Contract. This insurance shall include the following coverage and limits specified or required by any applicable law: bodily injury and property damage coverage with a minimum of \$1,000,000 per occurrence; personal injury of \$1,000,000 per occurrence; and with an aggregated limit of \$2,000,000. The commercial general liability policy shall be written on an occurrence basis, and the policy shall provide legal defense costs and expenses in addition to the limits of liability stated above. The Contractor shall be responsible for payment of any deductible applicable to this policy.

b. Automobile Liability Insurance

Automobile liability insurance covers owned, non-owned, leased, and hired vehicles with a minimum of \$1,000,000 for bodily injury for each person, \$1,000,000 for bodily injury for each accident, and \$1,000,000 for property damage for each accident.

5.9.2 The Contractor shall deposit with the HTA, upon notification of award, certificate(s) of insurance necessary to satisfy the HTA that the provisions of the Contract have been complied with and to keep such insurance in effect and provide the certificate(s) of insurance to the HTA during the entire term of the Contract. - “The State of Hawai‘i is added as an additional insured with respect to operations performed for the State of Hawai‘i.”
- “It is agreed that any insurance maintained by the State of Hawai‘i will apply in excess of, and not contribute to, insurance provided by this policy.”

5.9.5 A Waiver of Subrogation shall apply to the General Liability, Automobile Liability, and Workers’ Compensation insurance policies and shall be in favor of the State of Hawai‘i.

5.9.6 Failure of the Contractor to provide and keep in force such insurance shall constitute a material default under the Contract, entitling the State to exercise any or all of the remedies provided in the Contract (including, without limitation, terminating the Contract). The procuring of any required policy or insurance policies shall not be construed to limit the Contractor’s liability hereunder or to fulfill the indemnification provisions of the Contract. Notwithstanding said policy or insurance policies, the Contractor shall be responsible for the full and total amount of any damage, injury, or loss caused by the Contractor’s negligence or neglect in the provision of services under the Contract.

5.9.7 In addition, the Contractor is responsible for securing all employee-related insurance coverage for the Contractor and the Contractor’s employees and agents that are or may be required by law and for payment of all premiums, costs and other liabilities associated with securing the insurance coverage at their own expense.

5.10 FEDERAL FUNDS

If this Contract is payable in whole or in part from federal funds, the Contractor agrees that, as to the portion of the compensation under this Contract to be payable from federal funds, the Contractor shall be paid only from such funds received from the federal government and shall not be paid from any other funds, unless so determined by the State. Failure of the State to receive anticipated federal funds shall not be considered a breach by the State or an excuse for nonperformance by the Contractor.

5.11 PAYMENT

The awarded Contractor shall submit all invoices via email in accordance with the State of Hawaii invoicing requirements, the General Conditions, and the terms of the resulting contract. Pursuant to HRS 103-10, the State shall have thirty (30) calendar days after receipt of a proper invoice and satisfactory acceptance of all required goods, services, and/or deliverables.

Invoices shall reference the applicable contract number and include a Contractor-generated invoice number. Invoices must be supported by documentation of deliverables completed during the invoicing period, as applicable under the contract’s payment terms and scope of work.

An invoice shall not be considered received or properly submitted unless all required supporting documentation and deliverables have been provided and accepted by the State. Incomplete invoices or invoices submitted without required deliverables may be returned to the Contractor for correction and resubmission, which may delay payment.

Payment shall be made in accordance with the payment structure set forth in the contract, which may include milestone-based, deliverable-based, or periodic payments, as applicable.

The total contract amount represents the maximum compensation payable under the contract unless modified by a duly executed written amendment.

The State’s fiscal year ends June 30. Invoices submitted during fiscal year closeout periods (typically June 1 through July 31), may be subject to processing delays due to year-end accounting

procedures. Contractors are advised to coordinate with the Contract Administrator as necessary. Final payment may be conditioned upon satisfactory completion of all contract requirements and compliance with applicable contractual obligations, including any required certifications or closeout documentation.

As previously mentioned, Contractor must have a compliant CVC to receive the final payment.

5.12 CONTRACT INVALIDATION

If any provision of the Contract is found to be invalid, such invalidation will not be construed to invalidate the entire Contract.

5.13 ADA COMPLIANCE

OVERVIEW OF THE RFP PROCESS

1. The RFP is issued pursuant to Subchapter 6 of HAR Chapter 3-122, implementing HRS §103D-303.
2. The procurement process begins with the issuance of the RFP and the formal response to any written questions or inquiries regarding the RFP. Changes to the RFP will be made only by Addendum.

Upon award and contract execution, proposal files are public records available for review by submitting a Request to Access Government Records.

All proposals and other material submitted by Offerors become the property of the State.

3. The Procurement Manager or an Evaluation Committee approved by the Procurement Manager will evaluate the proposals in accordance with the evaluation criteria in Section Four.
4. A "priority list" of responsible Offerors submitting acceptable and potentially acceptable proposals may be generated. The priority list may be limited to a minimum of three responsible Offerors who submitted the highest-ranked proposals. The objective of these discussions is to clarify issues regarding the Offeror's proposal if a BAFO is tendered.
5. If, during discussions, there is a need for any substantial clarification or change in the RFP, the RFP will be amended by an addendum to incorporate such clarification or change. Addenda to the RFP will be distributed only to Priority Listed Offerors who submit acceptable or potentially acceptable proposals.
6. Following any discussions, Priority Listed Offerors will be invited to submit their BAFO, if required. The Procurement Manager and Evaluation Committee reserves the right to have additional discussions with the Priority Listed Offerors prior to the submission of the BAFO.
7. The date and time for Offerors to submit their BAFO, if any, is indicated in Section 1.4 RFP Schedule and Significant Dates. If Offeror does not submit a notice of withdrawal or a BAFO, the Offeror's immediate previous offer will be construed as its BAFO.
8. After receipt and evaluation of the BAFOs in accordance with the evaluation criteria in Section Four, the Procurement Manager or an Evaluation Committee will make its recommendation. The Procurement Manager will award the contract to the Offeror whose proposal is determined to be the most advantageous to the State, taking into consideration price and the evaluation factors set forth in Section Four.
9. The contents of any proposal shall not be disclosed during the review, evaluation, or discussion. Once award notice is posted and contract is executed, all successful and unsuccessful proposals become available for public inspection. The Offeror and the State agree that sections that are confidential and/or proprietary should be identified by the Offerors and excluded from access.

10. The Procurement Manager or an Evaluation Committee reserves the right to determine what is in the best interest of the State for purposes of reviewing and evaluating proposals submitted in response to the RFP. The Procurement Manager or an Evaluation Committee will conduct a comprehensive, fair, and impartial evaluation of proposals received in response to the RFP.

The RFP, any addenda issued, and the successful Offeror's proposal shall become a part of the contract. All proposals shall become the property of the State of Hawai'i.

EXHIBIT B

SPECIAL PROVISIONS

3. Hawai‘i Compliance Express. Paragraph No. 2i of the attached General Conditions is further clarified as follows: The current “designated certification process” is Hawai‘i Compliance Express. In lieu of presenting the separate certificates from the Departments of Taxation, Labor and Industrial Relations, and Commerce and Consumer Affairs, as outlined in Paragraphs 2e, 2g, and 2h of the General Conditions, the CONTRACTOR shall obtain and provide the HTA with a current Certificate of Vendor Compliance from the Hawai‘i Compliance Express that is current prior to commencing any performance under this Contract. 5. Conflicts of Interest. Paragraph No. 5 of the attached General Conditions is further clarified as follows: Contractor acknowledges and agrees that it has represented to HTA, and HTA has justifiably relied upon such representation, that Contractor is duly authorized, by law and in equity, to conduct the project described in the Proposal under the trade name or other name commonly understood for the Project. Contractor shall avoid all conflict of interests that will not prevent and deter fraud, waste, and abuse, or will not provide increased economy to maximize, to the fullest extent practicable, the purchasing value of public funds. Any credible and reliable proof of such conflict of interest shall be cause to terminate this Contract and withhold any payment to Contractor.

6. Limited License to Use Intellectual Property. Paragraph No. 26 of the attached General Conditions is clarified as follows: The STATE hereby grants to the CONTRACTOR, a non-exclusive limited license during the time of performance for this Contract only, and for the purposes outlined in this contract only, as provided herein, to use any designated intellectual property, including any domain name, trade name, service mark, tag line, or logo (hereinafter referred to cumulatively as "Licensed Property"), which is owned, copyrighted, registered, patented, or reserved by the HTA, for the purpose of promoting and marketing Hawai‘i as a visitor destination and in a manner consistent with the "Hawai‘i Tourism Authority Strategic Plan 2020-2025," incorporated herein by reference, and with any other brand marketing and management plans. The contractor covenants and agrees that its use of the Licensed Property shall be of high standards and of high quality, style, and appearance and that contractor shall, at all times, maintain, increase, or enhance the goodwill associated with the Licensed Property. As a State agency, the HTA is required to inform Offerors of Hawai'i Administrative Rules §3-123-9, regarding entertainment, and the requirement to follow the HTA's travel policy that is informed by the State ethics code. The HTA will require the Offeror to take measures to ensure that all entertainment related to the HTA Contract work plan is appropriate and allowable, and not in violation of applicable law. Further, if elements of the contractor's travel policy fall outside of the HTA travel policy, HTA will require the contractor to take measures to ensure that all travel related to HTA work does not violate State ethics laws.

Nothing herein shall make unallowable a legitimate expense for job-related employee health, welfare, food service, or lodging costs, except that, where a net profit is generated by such services, it shall be treated as a credit as provided in section §3-123-21. Costs incurred for meetings or conferences, including, but not limited to, costs of food, rental facilities, and transportation, are not allowable except where the primary purpose is the dissemination of technical information or the establishment of specific project policies as a partnering conference.

10. Force Majeure. As parties to this Contract, neither HTA nor Contractor shall be responsible or liable, or deemed in breach hereof, for a delay in the performance of their respective obligations and responsibilities under this Contract due solely to a Force Majeure Event beyond its reasonable control; provided that the party experiencing the Force Majeure Event shall exercise due diligence in endeavoring to overcome any Force Majeure Event that impedes its performance, and to mitigate costs where possible. Upon the occurrence of a Force Majeure Event, the non-performing party shall be excused from any further performance or observance of the affected obligation(s) only for as long as such circumstances prevail and such party continues to use its best efforts to recommence performance or observance whenever and to whatever extent possible without delay. Any party so delayed in its performance will immediately notify the other by telephone or by the timeliest means otherwise available (to be confirmed in writing within two (2) calendar days after the inception of such delay) and describe in reasonable detail the circumstances causing such delay. *(As used in this Contract, "Force Majeure Event" means any occurrence beyond the reasonable control of a party, including, without limitation, acts of God; act of terrorism; war; embargo; national emergency; insurrection or riot; acts of the public enemy; fires; floods; epidemics; quarantine restrictions; strikes or other labor disputes; or unusually severe weather or other natural disasters.)*

9. ACCEPTANCE OF OFFER

- a. Acceptance of offer, if any, will be made within one hundred twenty calendar days after the opening of offers, and the prices quoted by the Offeror shall remain firm for the one hundred twenty-day period. Unless otherwise provided, each individual item or group of items will be awarded to the responsive and responsible Offeror whose offer complies with all the solicitation requirements. In determining the responsive and responsible Offeror, offers will be evaluated not only on the amounts thereof, but on all factors relating to the satisfactory performance of the contract. Products or servicing capabilities must be of a quality and nature that will meet the needs and purposes of the intended use and must conform to all requirements prescribed in the specifications. The Offeror must have the ability to perform as called for in the contract terms. The State shall be the sole judge of product or vendor capability. The successful vendor will be notified by letter that the offer has been accepted and that the vendor is being awarded the contract.

- b. If the offer is rejected or if the vendor to whom the contract was awarded fails to enter into the contract and furnish satisfactory security, if applicable, the purchasing agency may, at their discretion, award the contract to the next lowest or remaining responsible Offeror or may publish another call for offers; provided in the case of only one remaining responsible Offeror, the head of a purchasing agency may negotiate with such bidder to reduce the scope of work, if available funds are exceeded, and to award the contract at a price which reflects the reduction in the scope of work.
- c. The head of a purchasing agency further reserves the right to cancel the contract award at any time prior to execution of said contract by all parties, without any liability to the awardee and to any other Offeror.

10. EXECUTION OF CONTRACT

The following subsections shall not apply to any contract in which the total amount payable to the Contractor cannot be accurately estimated at the time the contract is to be awarded:

- a. In cases where the contract award equals or exceeds the dollar level specified in Section 103D-305, HRS, the State shall forward a formal contract to the successful Offeror for execution. The contract shall be signed by the successful vendor and returned, together with a satisfactory contract bond if required, and other supporting documents, within ten days after receipt by the vendor or within such further time as the procurement manager may allow.
- b. No such contract shall be considered binding upon the State until the contract has been fully and properly executed by all the parties thereto and the State Comptroller has, in accordance with Section 103D-309, HRS, endorsed thereon a certificate that there is an appropriation or balance of an appropriation over and above all outstanding contracts, sufficient to cover the amount required by the contract; with the exception of a multi-term contract, whereby, the State Comptroller shall only be required to certify that there is an appropriation or balance of an appropriation over and above all outstanding contracts, that is sufficient to cover the amount required to be paid under the contract during the fiscal year or remaining portion of the fiscal year of each term of the multi-year contract.

Pursuant to the Attorney General's General Conditions (AG-008, as revised), Section 18, in any contract involving not only State but supplemental funds from the Federal government, this section shall be applicable only to that portion of the contract price as is payable out of State. As to the portion of the contract price, as is expressed in the contract to be payable out of Federal funds, the contract shall be construed to be an agreement to pay the portion to the Contractor only out of Federal funds to be received from the Federal government. This subsection shall be liberally construed so as not to hinder or impede the State in contracting for any project involving financial aid from the Federal government.

11. CONTRACT BOND

- a. The requirement for contract performance and payment bonds, if any, shall be stated in the Special Provisions of the solicitation.
- b. When required by the Special Provisions, a performance bond and a payment bond shall be delivered by the Contractor to the State at the same time the executed contract is delivered. Each amount of the performance and payment bonds shall not exceed fifty

percent of the amount of the contract price; provided, for contracts where contract price cannot be determined at the time of award, the amounts of the bonds shall be as stated in the solicitation.

- c. The acceptable performance and payment bonds are the same as the acceptable bid or proposal security deposit specified in the solicitation. If a surety bond is submitted for either the performance or payment bond, in addition to the form prescribed, a power of attorney for the surety's attorney-in-fact executing the bond shall be provided.

12. FAILURE TO EXECUTE CONTRACT

If the Offeror to whom a contract is awarded shall fail or neglect to enter into the contract, and to furnish satisfactory security as required by Section 12 within ten days after such award or within such further time as the procurement manager may allow, the purchasing agency shall pay the amount of Offeror's proposal guaranty, as required in the solicitation, into the State Treasury as a realization of the State. The procurement manager may thereupon award the contract to the next lowest responsible Offeror or may call for new offers, whichever method he may deem is in the best interest of the State.

13. RETURN OF OFFER GUARANTIES

All offer guaranties submitted as required by subchapter 24, chapter 3-122, HAR, shall be retained until the successful Offeror enters into contract and furnishes satisfactory security or if the contract is not awarded or entered into, until the procurement manager's determination is made to cancel the solicitation. At such time, all offer guaranties, except surety bonds, will be returned.

14. PAYMENT

The awarded Contractor shall submit all invoices via email and in accordance with the State's invoicing guidelines pursuant to the Hawai'i State General Conditions attached to and made a part of this RFP. Section 103-10, HRS, provides that the State shall have thirty (30) calendar days after receipt of invoice or satisfactory completion of contract to make payment. For this reason, the State will reject any bid submitted with a condition requiring payment within a shorter period. Further, the State will reject any offer submitted with a condition requiring interest payments greater than that allowed by §103-10, HRS, as amended.

The State will not recognize any requirement established by the Contractor and communicated to the State after award of the contract, which requires payment within a shorter period or interest not in conformance with statute.

15. DELIVERY EXTENSIONS

In the case of contracts for the purchase of goods, the delivery date, or the maximum number of days for delivery will be specified by the State in its solicitation requirements, and all goods must be delivered with the time specified. However, the Contractor will not be held responsible for delay due to fire, flood, riot, labor disturbances, war, shortage of transportation, act of God or other reason beyond his control, provided that he notifies the State of such delay and the reason therefore as soon as practicable after its occurrence and requests extension prior to the specified date of delivery. Requests for extension of time shall be accompanied by documents such as the Contractor's purchase order, manufacturer's acknowledgment, shipping manifest, and any other documents substantiating that the causes

for delay were beyond the control of the Contractor. The State shall be the sole judge of whether such delay is truly beyond the control of the Contractor and whether an extension will be granted. The State reserves the right to terminate the contract or to assess liquidated damages if provided for in the contract, for delays not covered by specific authorized extension.

16. PERSONAL LIABILITY OF PUBLIC OFFICIALS

In carrying out any of the provisions of the contract or in exercising any power or authority granted to them by the contract, there shall be no liability upon the procurement manager or his authorized representatives, either personally or as officials of the State, it being understood that in such matters, they act solely as agents and representatives of the State.

EXHIBIT D

HTA TRAVEL & ENTERTAINMENT POLICY

As a State agency, the HTA is required to follow an ethics code that informs our travel policy and ensures compliance with the Hawai'i Administrative Rules §3-123-9, which pertains to entertainment. HTA reserves the right to review the contractor's travel policy. If any elements of the contractor's travel policy differ from the HTA travel policy, the HTA will require the contractor to take measures to ensure that all travel associated with HTA work complies with State ethics laws. The contractor shall select the most economical airfare and accommodations (unless otherwise justified), based on the itinerary that fits the business requirements.

A. Travel Policy:

1. All airfares and accommodations require two (2) quotes for authorized/official business, from two different sources.
2. Contractor shall never ask for upgrades or complimentary airfares and/or rooms except for organized destination Familiarization Tours (FAM) and site inspections. Contractor shall use a negotiated FAM rate for hotel and air.
3. State funds shall not be used to purchase alcoholic beverages.

B. Entertainment: HAR §3-123-9, provides the following guidelines:

1. Entertainment costs are unallowable and include amusements, social activities, and incidental costs such as meals, beverages, lodging and transportation, and gratuities.
2. Nothing herein shall make unallowable a legitimate expense for job-related employee health, welfare, food service, or lodging costs, except that, where a net profit is generated by such services, it shall be treated as a credit as provided in section §3-123-21. Costs incurred for meetings or conferences, including, but not limited to, costs of food, rental facilities, and transportation, are not allowable except where the primary purpose is the dissemination of technical information or the establishment of specific project policies as a partnering conference.

GENERAL CONDITIONS

1. Coordination of Services by the STATE. The head of the purchasing agency (“HOPA”) (which term includes the designee of the HOPA) shall coordinate the services to be provided by the CONTRACTOR in order to complete the performance required in the Contract. The CONTRACTOR shall maintain communications with HOPA at all stages of the CONTRACTOR'S work, and submit to HOPA for resolution any questions which may arise as to the performance of this Contract. "Purchasing agency" as used in these General Conditions means and includes any governmental body which is authorized under chapter 103D, HRS, or its implementing rules and procedures, or by way of delegation, to enter into contracts for the procurement of goods or services or both.
2. Relationship of Parties: Independent Contractor Status and Responsibilities, Including Tax Responsibilities.
 - a. In the performance of services required under this Contract, the CONTRACTOR is an "independent contractor," with the authority and responsibility to control and direct the performance and details of the work and services required under this Contract; however, the STATE shall have a general right to inspect work in progress to determine whether, in the STATE'S opinion, the services are being performed by the CONTRACTOR in compliance with this Contract. Unless otherwise provided by special condition, it is understood that the STATE does not agree to use the CONTRACTOR exclusively, and that the CONTRACTOR is free to contract to provide services to other individuals or entities while under contract with the STATE.
 - b. The CONTRACTOR and the CONTRACTOR'S employees and agents are not by reason of this Contract, agents or employees of the State for any purpose, and the CONTRACTOR and the CONTRACTOR'S employees and agents shall not be entitled to claim or receive from the State any vacation, sick leave, retirement, workers' compensation, unemployment insurance, or other benefits provided to state employees.
 - c. The CONTRACTOR shall be responsible for the accuracy, completeness, and adequacy of the CONTRACTOR'S performance under this Contract. Furthermore, the CONTRACTOR intentionally, voluntarily, and knowingly assumes the sole and entire liability to the CONTRACTOR'S employees and agents, and to any individual not a party to this Contract, for all loss, damage, or injury caused by the CONTRACTOR, or the CONTRACTOR'S employees or agents in the course of their employment.
 - d. The CONTRACTOR shall be responsible for payment of all applicable federal, state, and county taxes and fees which may become due and owing by the CONTRACTOR by reason of this Contract, including but not limited to (i) income taxes, (ii) employment related fees, assessments, and taxes, and (iii) general excise taxes. The CONTRACTOR also is responsible for obtaining all licenses, permits, and certificates that may be required in order to perform this Contract.
 - e. The CONTRACTOR shall obtain a general excise tax license from the Department of Taxation, State of Hawaii, in accordance with section 237-9, HRS, and shall comply with all requirements thereof. The CONTRACTOR shall obtain a tax clearance certificate from the Director of Taxation, State of Hawaii, and the Internal Revenue Service, U.S. Department of the Treasury, showing that all delinquent taxes, if any, levied or accrued under state law and the Internal Revenue Code of 1986, as amended, against the CONTRACTOR have been paid and submit the same to the STATE prior to commencing any performance under this Contract. The CONTRACTOR shall also be solely responsible for meeting all requirements necessary to obtain the tax clearance certificate required for final payment under sections 103-53 and 103D-328, HRS, and paragraph 17 of these General Conditions.
 - f. The CONTRACTOR is responsible for securing all employee-related insurance coverage for the CONTRACTOR and the CONTRACTOR'S employees and agents that is or may be required by law, and for payment of all premiums, costs, and other liabilities associated with securing the insurance coverage.

- g. The CONTRACTOR shall obtain a certificate of compliance issued by the Department of Labor and Industrial Relations, State of Hawaii, in accordance with section 103D-310, HRS, and section 3-122-112, HAR, that is current within six months of the date of issuance.
- h. The CONTRACTOR shall obtain a certificate of good standing issued by the Department of Commerce and Consumer Affairs, State of Hawaii, in accordance with section 103D-310, HRS, and section 3-122-112, HAR, that is current within six months of the date of issuance.
- i. In lieu of the above certificates from the Department of Taxation, Labor and Industrial Relations, and Commerce and Consumer Affairs, the CONTRACTOR may submit proof of compliance through the State Procurement Office's designated certification process.

3. Personnel Requirements.

- a. The CONTRACTOR shall secure, at the CONTRACTOR'S own expense, all personnel required to perform this Contract.
- b. The CONTRACTOR shall ensure that the CONTRACTOR'S employees or agents are experienced and fully qualified to engage in the activities and perform the services required under this Contract, and that all applicable licensing and operating requirements imposed or required under federal, state, or county law, and all applicable accreditation and other standards of quality generally accepted in the field of the activities of such employees and agents are complied with and satisfied.

4. Nondiscrimination. No person performing work under this Contract, including any subcontractor, employee, or agent of the CONTRACTOR, shall engage in any discrimination that is prohibited by any applicable federal, state, or county law.

5. Conflicts of Interest. The CONTRACTOR represents that neither the CONTRACTOR, nor any employee or agent of the CONTRACTOR, presently has any interest, and promises that no such interest, direct or indirect, shall be acquired, that would or might conflict in any manner or degree with the CONTRACTOR'S performance under this Contract.

6. Subcontracts and Assignments. The CONTRACTOR shall not assign or subcontract any of the CONTRACTOR'S duties, obligations, or interests under this Contract and no such assignment or subcontract shall be effective unless (i) the CONTRACTOR obtains the prior written consent of the STATE, and (ii) the CONTRACTOR'S assignee or subcontractor submits to the STATE a tax clearance certificate from the Director of Taxation, State of Hawaii, and the Internal Revenue Service, U.S. Department of Treasury, showing that all delinquent taxes, if any, levied or accrued under state law and the Internal Revenue Code of 1986, as amended, against the CONTRACTOR'S assignee or subcontractor have been paid. Additionally, no assignment by the CONTRACTOR of the CONTRACTOR'S right to compensation under this Contract shall be effective unless and until the assignment is approved by the Comptroller of the State of Hawaii, as provided in section 40-58, HRS.

a. Recognition of a successor in interest. When in the best interest of the State, a successor in interest may be recognized in an assignment contract in which the STATE, the CONTRACTOR and the assignee or transferee (hereinafter referred to as the "Assignee") agree that:

- (1) The Assignee assumes all of the CONTRACTOR'S obligations;
- (2) The CONTRACTOR remains liable for all obligations under this Contract but waives all rights under this Contract as against the STATE; and
- (3) The CONTRACTOR shall continue to furnish, and the Assignee shall also furnish, all required bonds.

b. Change of name. When the CONTRACTOR asks to change the name in which it holds this Contract with the STATE, the procurement officer of the purchasing agency (hereinafter referred to as the "Agency procurement officer") shall, upon receipt of a document acceptable or satisfactory to the

Agency procurement officer indicating such change of name (for example, an amendment to the CONTRACTOR'S articles of incorporation), enter into an amendment to this Contract with the CONTRACTOR to effect such a change of name. The amendment to this Contract changing the CONTRACTOR'S name shall specifically indicate that no other terms and conditions of this Contract are thereby changed.

- c. Reports. All assignment contracts and amendments to this Contract effecting changes of the CONTRACTOR'S name or novations hereunder shall be reported to the chief procurement officer (CPO) as defined in section 103D-203(a), HRS, within thirty days of the date that the assignment contract or amendment becomes effective.
 - d. Actions affecting more than one purchasing agency. Notwithstanding the provisions of subparagraphs 6a through 6c herein, when the CONTRACTOR holds contracts with more than one purchasing agency of the State, the assignment contracts and the novation and change of name amendments herein authorized shall be processed only through the CPO's office.
7. Indemnification and Defense. The CONTRACTOR shall defend, indemnify, and hold harmless the State of Hawaii, the contracting agency, and their officers, employees, and agents from and against all liability, loss, damage, cost, and expense, including all attorneys' fees, and all claims, suits, and demands therefore, arising out of or resulting from the acts or omissions of the CONTRACTOR or the CONTRACTOR'S employees, officers, agents, or subcontractors under this Contract. The provisions of this paragraph shall remain in full force and effect notwithstanding the expiration or early termination of this Contract.
 8. Cost of Litigation. In case the STATE shall, without any fault on its part, be made a party to any litigation commenced by or against the CONTRACTOR in connection with this Contract, the CONTRACTOR shall pay all costs and expenses incurred by or imposed on the STATE, including attorneys' fees.
 9. Liquidated Damages. When the CONTRACTOR is given notice of delay or nonperformance as specified in paragraph 13 (Termination for Default) and fails to cure in the time specified, it is agreed the CONTRACTOR shall pay to the STATE the amount, if any, set forth in this Contract per calendar day from the date set for cure until either (i) the STATE reasonably obtains similar goods or services, or both, if the CONTRACTOR is terminated for default, or (ii) until the CONTRACTOR provides the goods or services, or both, if the CONTRACTOR is not terminated for default. To the extent that the CONTRACTOR'S delay or nonperformance is excused under paragraph 13d (Excuse for Nonperformance or Delay Performance), liquidated damages shall not be assessable against the CONTRACTOR. The CONTRACTOR remains liable for damages caused other than by delay.
 10. STATE'S Right of Offset. The STATE may offset against any monies or other obligations the STATE owes to the CONTRACTOR under this Contract, any amounts owed to the State of Hawaii by the CONTRACTOR under this Contract or any other contracts, or pursuant to any law or other obligation owed to the State of Hawaii by the CONTRACTOR, including, without limitation, the payment of any taxes or levies of any kind or nature. The STATE will notify the CONTRACTOR in writing of any offset and the nature of such offset. For purposes of this paragraph, amounts owed to the State of Hawaii shall not include debts or obligations which have been liquidated, agreed to by the CONTRACTOR, and are covered by an installment payment or other settlement plan approved by the State of Hawaii, provided, however, that the CONTRACTOR shall be entitled to such exclusion only to the extent that the CONTRACTOR is current with, and not delinquent on, any payments or obligations owed to the State of Hawaii under such payment or other settlement plan.
 11. Disputes. Disputes shall be resolved in accordance with section 103D-703, HRS, and chapter 3-126, Hawaii Administrative Rules ("HAR"), as the same may be amended from time to time.
 12. Suspension of Contract. The STATE reserves the right at any time and for any reason to suspend this Contract for any reasonable period, upon written notice to the CONTRACTOR in accordance with the provisions herein.
 - a. Order to stop performance. The Agency procurement officer may, by written order to the CONTRACTOR, at any time, and without notice to any surety, require the CONTRACTOR to stop all or any part of the performance called for by this Contract. This order shall be for a specified

period not exceeding sixty (60) days after the order is delivered to the CONTRACTOR, unless the parties agree to any further period. Any such order shall be identified specifically as a stop performance order issued pursuant to this section. Stop performance orders shall include, as appropriate: (1) A clear description of the work to be suspended; (2) Instructions as to the issuance of further orders by the CONTRACTOR for material or services; (3) Guidance as to action to be taken on subcontracts; and (4) Other instructions and suggestions to the CONTRACTOR for minimizing costs. Upon receipt of such an order, the CONTRACTOR shall forthwith comply with its terms and suspend all performance under this Contract at the time stated, provided, however, the CONTRACTOR shall take all reasonable steps to minimize the occurrence of costs allocable to the performance covered by the order during the period of performance stoppage. Before the stop performance order expires, or within any further period to which the parties shall have agreed, the Agency procurement officer shall either:

- (1) Cancel the stop performance order; or
- (2) Terminate the performance covered by such order as provided in the termination for default provision or the termination for convenience provision of this Contract.

b. Cancellation or expiration of the order. If a stop performance order issued under this section is cancelled at any time during the period specified in the order, or if the period of the order or any extension thereof expires, the CONTRACTOR shall have the right to resume performance. An appropriate adjustment shall be made in the delivery schedule or contract price, or both, and the Contract shall be modified in writing accordingly, if:

- (1) The stop performance order results in an increase in the time required for, or in the CONTRACTOR'S cost properly allocable to, the performance of any part of this Contract; and
- (2) The CONTRACTOR asserts a claim for such an adjustment within thirty (30) days after the end of the period of performance stoppage; provided that, if the Agency procurement officer decides that the facts justify such action, any such claim asserted may be received and acted upon at any time prior to final payment under this Contract.

c. Termination of stopped performance. If a stop performance order is not cancelled and the performance covered by such order is terminated for default or convenience, the reasonable costs resulting from the stop performance order shall be allowable by adjustment or otherwise.

d. Adjustment of price. Any adjustment in contract price made pursuant to this paragraph shall be determined in accordance with the price adjustment provision of this Contract.

13. Termination for Default.

a. Default. If the CONTRACTOR refuses or fails to perform any of the provisions of this Contract with such diligence as will ensure its completion within the time specified in this Contract, or any extension thereof, otherwise fails to timely satisfy the Contract provisions, or commits any other substantial breach of this Contract, the Agency procurement officer may notify the CONTRACTOR in writing of the delay or non-performance and if not cured in ten (10) days or any longer time specified in writing by the Agency procurement officer, such officer may terminate the CONTRACTOR'S right to proceed with the Contract or such part of the Contract as to which there has been delay or a failure to properly perform. In the event of termination in whole or in part, the Agency procurement officer may procure similar goods or services in a manner and upon the terms deemed appropriate by the Agency procurement officer. The CONTRACTOR shall continue performance of the Contract to the extent it is not terminated and shall be liable for excess costs incurred in procuring similar goods or services.

b. CONTRACTOR'S duties. Notwithstanding termination of the Contract and subject to any directions from the Agency procurement officer, the CONTRACTOR shall take timely, reasonable, and

necessary action to protect and preserve property in the possession of the CONTRACTOR in which the STATE has an interest.

- c. Compensation. Payment for completed goods and services delivered and accepted by the STATE shall be at the price set forth in the Contract. Payment for the protection and preservation of property shall be in an amount agreed upon by the CONTRACTOR and the Agency procurement officer. If the parties fail to agree, the Agency procurement officer shall set an amount subject to the CONTRACTOR'S rights under chapter 3-126, HAR. The STATE may withhold from amounts due the CONTRACTOR such sums as the Agency procurement officer deems to be necessary to protect the STATE against loss because of outstanding liens or claims and to reimburse the STATE for the excess costs expected to be incurred by the STATE in procuring similar goods and services.
- d. Excuse for nonperformance or delayed performance. The CONTRACTOR shall not be in default by reason of any failure in performance of this Contract in accordance with its terms, including any failure by the CONTRACTOR to make progress in the prosecution of the performance hereunder which endangers such performance, if the CONTRACTOR has notified the Agency procurement officer within fifteen (15) days after the cause of the delay and the failure arises out of causes such as: acts of God; acts of a public enemy; acts of the State and any other governmental body in its sovereign or contractual capacity; fires; floods; epidemics; quarantine restrictions; strikes or other labor disputes; freight embargoes; or unusually severe weather. If the failure to perform is caused by the failure of a subcontractor to perform or to make progress, and if such failure arises out of causes similar to those set forth above, the CONTRACTOR shall not be deemed to be in default, unless the goods and services to be furnished by the subcontractor were reasonably obtainable from other sources in sufficient time to permit the CONTRACTOR to meet the requirements of the Contract. Upon request of the CONTRACTOR, the Agency procurement officer shall ascertain the facts and extent of such failure, and, if such officer determines that any failure to perform was occasioned by any one or more of the excusable causes, and that, but for the excusable cause, the CONTRACTOR'S progress and performance would have met the terms of the Contract, the delivery schedule shall be revised accordingly, subject to the rights of the STATE under this Contract. As used in this paragraph, the term "subcontractor" means subcontractor at any tier.
- e. Erroneous termination for default. If, after notice of termination of the CONTRACTOR'S right to proceed under this paragraph, it is determined for any reason that the CONTRACTOR was not in default under this paragraph, or that the delay was excusable under the provisions of subparagraph 13d, "Excuse for nonperformance or delayed performance," the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to paragraph 14.
- f. Additional rights and remedies. The rights and remedies provided in this paragraph are in addition to any other rights and remedies provided by law or under this Contract.

14. Termination for Convenience.

- a. Termination. The Agency procurement officer may, when the interests of the STATE so require, terminate this Contract in whole or in part, for the convenience of the STATE. The Agency procurement officer shall give written notice of the termination to the CONTRACTOR specifying the part of the Contract terminated and when termination becomes effective.
- b. CONTRACTOR'S obligations. The CONTRACTOR shall incur no further obligations in connection with the terminated performance and on the date(s) set in the notice of termination the CONTRACTOR will stop performance to the extent specified. The CONTRACTOR shall also terminate outstanding orders and subcontracts as they relate to the terminated performance. The CONTRACTOR shall settle the liabilities and claims arising out of the termination of subcontracts and orders connected with the terminated performance subject to the STATE'S approval. The Agency procurement officer may direct the CONTRACTOR to assign the CONTRACTOR'S right, title, and interest under terminated orders or subcontracts to the STATE. The CONTRACTOR must still complete the performance not terminated by the notice of termination and may incur obligations as necessary to do so.

c. Right to goods and work product. The Agency procurement officer may require the CONTRACTOR to transfer title and deliver to the STATE in the manner and to the extent directed by the Agency procurement officer:

- (1) Any completed goods or work product; and
- (2) The partially completed goods and materials, parts, tools, dies, jigs, fixtures, plans, drawings, information, and contract rights (hereinafter called "manufacturing material") as the CONTRACTOR has specifically produced or specially acquired for the performance of the terminated part of this Contract.

The CONTRACTOR shall, upon direction of the Agency procurement officer, protect and preserve property in the possession of the CONTRACTOR in which the STATE has an interest. If the Agency procurement officer does not exercise this right, the CONTRACTOR shall use best efforts to sell such goods and manufacturing materials. Use of this paragraph in no way implies that the STATE has breached the Contract by exercise of the termination for convenience provision.

d. Compensation.

- (1) The CONTRACTOR shall submit a termination claim specifying the amounts due because of the termination for convenience together with the cost or pricing data, submitted to the extent required by chapter 3-122, HAR, bearing on such claim. If the CONTRACTOR fails to file a termination claim within one year from the effective date of termination, the Agency procurement officer may pay the CONTRACTOR, if at all, an amount set in accordance with subparagraph 14d(3) below.
- (2) The Agency procurement officer and the CONTRACTOR may agree to a settlement provided the CONTRACTOR has filed a termination claim supported by cost or pricing data submitted as required and that the settlement does not exceed the total Contract price plus settlement costs reduced by payments previously made by the STATE, the proceeds of any sales of goods and manufacturing materials under subparagraph 14c, and the Contract price of the performance not terminated.
- (3) Absent complete agreement under subparagraph 14d(2) the Agency procurement officer shall pay the CONTRACTOR the following amounts, provided payments agreed to under subparagraph 14d(2) shall not duplicate payments under this subparagraph for the following:
 - (A) Contract prices for goods or services accepted under the Contract;
 - (B) Costs incurred in preparing to perform and performing the terminated portion of the performance plus a fair and reasonable profit on such portion of the performance, such profit shall not include anticipatory profit or consequential damages, less amounts paid or to be paid for accepted goods or services; provided, however, that if it appears that the CONTRACTOR would have sustained a loss if the entire Contract would have been completed, no profit shall be allowed or included and the amount of compensation shall be reduced to reflect the anticipated rate of loss;
 - (C) Costs of settling and paying claims arising out of the termination of subcontracts or orders pursuant to subparagraph 14b. These costs must not include costs paid in accordance with subparagraph 14d(3)(B);
 - (D) The reasonable settlement costs of the CONTRACTOR, including accounting, legal, clerical, and other expenses reasonably necessary for the preparation of settlement claims and supporting data with respect to the terminated portion of the Contract and for the termination of subcontracts thereunder, together with reasonable storage, transportation, and other costs incurred in connection with the protection or disposition of property allocable to the terminated portion of this Contract. The total sum to be paid the CONTRACTOR under this subparagraph shall not exceed the

total Contract price plus the reasonable settlement costs of the CONTRACTOR reduced by the amount of payments otherwise made, the proceeds of any sales of supplies and manufacturing materials under subparagraph 14d(2), and the contract price of performance not terminated.

- (4) Costs claimed, agreed to, or established under subparagraphs 14d(2) and 14d(3) shall be in accordance with Chapter 3-123 (Cost Principles) of the Procurement Rules.

15. Claims Based on the Agency Procurement Officer's Actions or Omissions.

a. Changes in scope. If any action or omission on the part of the Agency procurement officer (which term includes the designee of such officer for purposes of this paragraph 15) requiring performance changes within the scope of the Contract constitutes the basis for a claim by the CONTRACTOR for additional compensation, damages, or an extension of time for completion, the CONTRACTOR shall continue with performance of the Contract in compliance with the directions or orders of such officials, but by so doing, the CONTRACTOR shall not be deemed to have prejudiced any claim for additional compensation, damages, or an extension of time for completion; provided:

- (1) Written notice required. The CONTRACTOR shall give written notice to the Agency procurement officer:

- (A) Prior to the commencement of the performance involved, if at that time the CONTRACTOR knows of the occurrence of such action or omission;

- (B) Within thirty (30) days after the CONTRACTOR knows of the occurrence of such action or omission, if the CONTRACTOR did not have such knowledge prior to the commencement of the performance; or

- (C) Within such further time as may be allowed by the Agency procurement officer in writing.

- (2) Notice content. This notice shall state that the CONTRACTOR regards the act or omission as a reason which may entitle the CONTRACTOR to additional compensation, damages, or an extension of time. The Agency procurement officer, upon receipt of such notice, may rescind such action, remedy such omission, or take such other steps as may be deemed advisable in the discretion of the Agency procurement officer;

- (3) Basis must be explained. The notice required by subparagraph 15a(1) describes as clearly as practicable at the time the reasons why the CONTRACTOR believes that additional compensation, damages, or an extension of time may be remedies to which the CONTRACTOR is entitled; and

- (4) Claim must be justified. The CONTRACTOR must maintain and, upon request, make available to the Agency procurement officer within a reasonable time, detailed records to the extent practicable, and other documentation and evidence satisfactory to the STATE, justifying the claimed additional costs or an extension of time in connection with such changes.

b. CONTRACTOR not excused. Nothing herein contained, however, shall excuse the CONTRACTOR from compliance with any rules or laws precluding any state officers and CONTRACTOR from acting in collusion or bad faith in issuing or performing change orders which are clearly not within the scope of the Contract.

c. Price adjustment. Any adjustment in the price made pursuant to this paragraph shall be determined in accordance with the price adjustment provision of this Contract.

16. Costs and Expenses. Any reimbursement due the CONTRACTOR for per diem and transportation expenses under this Contract shall be subject to chapter 3-123 (Cost Principles), HAR, and the following guidelines:

- a. Reimbursement for air transportation shall be for actual cost or coach class air fare, whichever is less.
- b. Reimbursement for ground transportation costs shall not exceed the actual cost of renting an intermediate-sized vehicle.
- c. Unless prior written approval of the HOPA is obtained, reimbursement for subsistence allowance (i.e., hotel and meals, etc.) shall not exceed the applicable daily authorized rates for inter-island or out-of-state travel that are set forth in the current Governor's Executive Order authorizing adjustments in salaries and benefits for state officers and employees in the executive branch who are excluded from collective bargaining coverage.

17. Payment Procedures; Final Payment; Tax Clearance.

- a. Original invoices required. All payments under this Contract shall be made only upon submission by the CONTRACTOR of original invoices specifying the amount due and certifying that services requested under the Contract have been performed by the CONTRACTOR according to the Contract.
- b. Subject to available funds. Such payments are subject to availability of funds and allotment by the Director of Finance in accordance with chapter 37, HRS. Further, all payments shall be made in accordance with and subject to chapter 40, HRS.
- c. Prompt payment.
 - (1) Any money, other than retainage, paid to the CONTRACTOR shall be disbursed to subcontractors within ten (10) days after receipt of the money in accordance with the terms of the subcontract; provided that the subcontractor has met all the terms and conditions of the subcontract and there are no bona fide disputes; and
 - (2) Upon final payment to the CONTRACTOR, full payment to the subcontractor, including retainage, shall be made within ten (10) days after receipt of the money; provided that there are no bona fide disputes over the subcontractor's performance under the subcontract.
- d. Final payment. Final payment under this Contract shall be subject to sections 103-53 and 103D-328, HRS, which require a tax clearance from the Director of Taxation, State of Hawaii, and the Internal Revenue Service, U.S. Department of Treasury, showing that all delinquent taxes, if any, levied or accrued under state law and the Internal Revenue Code of 1986, as amended, against the CONTRACTOR have been paid. Further, in accordance with section 3-122-112, HAR, CONTRACTOR shall provide a certificate affirming that the CONTRACTOR has remained in compliance with all applicable laws as required by this section.

18. Federal Funds. If this Contract is payable in whole or in part from federal funds, CONTRACTOR agrees that, as to the portion of the compensation under this Contract to be payable from federal funds, the CONTRACTOR shall be paid only from such funds received from the federal government, and shall not be paid from any other funds. Failure of the STATE to receive anticipated federal funds shall not be considered a breach by the STATE or an excuse for nonperformance by the CONTRACTOR.

19. Modifications of Contract.

- a. In writing. Any modification, alteration, amendment, change, or extension of any term, provision, or condition of this Contract permitted by this Contract shall be made by written amendment to this Contract, signed by the CONTRACTOR and the STATE, provided that change orders shall be made in accordance with paragraph 20 herein.
- b. No oral modification. No oral modification, alteration, amendment, change, or extension of any term, provision, or condition of this Contract shall be permitted.

- c. Agency procurement officer. By written order, at any time, and without notice to any surety, the Agency procurement officer may unilaterally order of the CONTRACTOR:
 - (A) Changes in the work within the scope of the Contract; and
 - (B) Changes in the time of performance of the Contract that do not alter the scope of the Contract work.
 - d. Adjustments of price or time for performance. If any modification increases or decreases the CONTRACTOR'S cost of, or the time required for, performance of any part of the work under this Contract, an adjustment shall be made and this Contract modified in writing accordingly. Any adjustment in contract price made pursuant to this clause shall be determined, where applicable, in accordance with the price adjustment clause of this Contract or as negotiated.
 - e. Claim barred after final payment. No claim by the CONTRACTOR for an adjustment hereunder shall be allowed if written modification of the Contract is not made prior to final payment under this Contract.
 - f. Claims not barred. In the absence of a written contract modification, nothing in this clause shall be deemed to restrict the CONTRACTOR'S right to pursue a claim under this Contract or for a breach of contract.
 - g. Head of the purchasing agency approval. If this is a professional services contract awarded pursuant to section 103D-303 or 103D-304, HRS, any modification, alteration, amendment, change, or extension of any term, provision, or condition of this Contract which increases the amount payable to the CONTRACTOR by at least \$25,000.00 and ten per cent (10%) or more of the initial contract price, must receive the prior approval of the head of the purchasing agency.
 - h. Tax clearance. The STATE may, at its discretion, require the CONTRACTOR to submit to the STATE, prior to the STATE'S approval of any modification, alteration, amendment, change, or extension of any term, provision, or condition of this Contract, a tax clearance from the Director of Taxation, State of Hawaii, and the Internal Revenue Service, U.S. Department of Treasury, showing that all delinquent taxes, if any, levied or accrued under state law and the Internal Revenue Code of 1986, as amended, against the CONTRACTOR have been paid.
 - i. Sole source contracts. Amendments to sole source contracts that would change the original scope of the Contract may only be made with the approval of the CPO. Annual renewal of a sole source contract for services should not be submitted as an amendment.
20. Change Order. The Agency procurement officer may, by a written order signed only by the STATE, at any time, and without notice to any surety, and subject to all appropriate adjustments, make changes within the general scope of this Contract in any one or more of the following:
- (1) Drawings, designs, or specifications, if the goods or services to be furnished are to be specially provided to the STATE in accordance therewith;
 - (2) Method of delivery; or
 - (3) Place of delivery.
- a. Adjustments of price or time for performance. If any change order increases or decreases the CONTRACTOR'S cost of, or the time required for, performance of any part of the work under this Contract, whether or not changed by the order, an adjustment shall be made and the Contract modified in writing accordingly. Any adjustment in the Contract price made pursuant to this provision shall be determined in accordance with the price adjustment provision of this Contract. Failure of the parties to agree to an adjustment shall not excuse the CONTRACTOR from proceeding with the Contract as changed, provided that the Agency procurement officer promptly and duly makes the provisional adjustments in payment or time for performance as may be reasonable. By

proceeding with the work, the CONTRACTOR shall not be deemed to have prejudiced any claim for additional compensation, or any extension of time for completion.

- b. Time period for claim. Within ten (10) days after receipt of a written change order under subparagraph 20a, unless the period is extended by the Agency procurement officer in writing, the CONTRACTOR shall respond with a claim for an adjustment. The requirement for a timely written response by CONTRACTOR cannot be waived and shall be a condition precedent to the assertion of a claim.
- c. Claim barred after final payment. No claim by the CONTRACTOR for an adjustment hereunder shall be allowed if a written response is not given prior to final payment under this Contract.
- d. Other claims not barred. In the absence of a change order, nothing in this paragraph 20 shall be deemed to restrict the CONTRACTOR'S right to pursue a claim under the Contract or for breach of contract.

21. Price Adjustment.

- a. Price adjustment. Any adjustment in the contract price pursuant to a provision in this Contract shall be made in one or more of the following ways:
 - (1) By agreement on a fixed price adjustment before commencement of the pertinent performance or as soon thereafter as practicable;
 - (2) By unit prices specified in the Contract or subsequently agreed upon;
 - (3) By the costs attributable to the event or situation covered by the provision, plus appropriate profit or fee, all as specified in the Contract or subsequently agreed upon;
 - (4) In such other manner as the parties may mutually agree; or
 - (5) In the absence of agreement between the parties, by a unilateral determination by the Agency procurement officer of the costs attributable to the event or situation covered by the provision, plus appropriate profit or fee, all as computed by the Agency procurement officer in accordance with generally accepted accounting principles and applicable sections of chapters 3-123 and 3-126, HAR.
- b. Submission of cost or pricing data. The CONTRACTOR shall provide cost or pricing data for any price adjustments subject to the provisions of chapter 3-122, HAR.

22. Variation in Quantity for Definite Quantity Contracts. Upon the agreement of the STATE and the CONTRACTOR, the quantity of goods or services, or both, if a definite quantity is specified in this Contract, may be increased by a maximum of ten per cent (10%); provided the unit prices will remain the same except for any price adjustments otherwise applicable; and the Agency procurement officer makes a written determination that such an increase will either be more economical than awarding another contract or that it would not be practical to award another contract.

23. Changes in Cost-Reimbursement Contract. If this Contract is a cost-reimbursement contract, the following provisions shall apply:

- a. The Agency procurement officer may at any time by written order, and without notice to the sureties, if any, make changes within the general scope of the Contract in any one or more of the following:
 - (1) Description of performance (Attachment 1);
 - (2) Time of performance (i.e., hours of the day, days of the week, etc.);
 - (3) Place of performance of services;

- (4) Drawings, designs, or specifications when the supplies to be furnished are to be specially manufactured for the STATE in accordance with the drawings, designs, or specifications;
 - (5) Method of shipment or packing of supplies; or
 - (6) Place of delivery.
 - b. If any change causes an increase or decrease in the estimated cost of, or the time required for performance of, any part of the performance under this Contract, whether or not changed by the order, or otherwise affects any other terms and conditions of this Contract, the Agency procurement officer shall make an equitable adjustment in the (1) estimated cost, delivery or completion schedule, or both; (2) amount of any fixed fee; and (3) other affected terms and shall modify the Contract accordingly.
 - c. The CONTRACTOR must assert the CONTRACTOR'S rights to an adjustment under this provision within thirty (30) days from the day of receipt of the written order. However, if the Agency procurement officer decides that the facts justify it, the Agency procurement officer may receive and act upon a proposal submitted before final payment under the Contract.
 - d. Failure to agree to any adjustment shall be a dispute under paragraph 11 of this Contract. However, nothing in this provision shall excuse the CONTRACTOR from proceeding with the Contract as changed.
 - e. Notwithstanding the terms and conditions of subparagraphs 23a and 23b, the estimated cost of this Contract and, if this Contract is incrementally funded, the funds allotted for the performance of this Contract, shall not be increased or considered to be increased except by specific written modification of the Contract indicating the new contract estimated cost and, if this contract is incrementally funded, the new amount allotted to the contract.
24. Confidentiality of Material.
- a. All material given to or made available to the CONTRACTOR by virtue of this Contract, which is identified as proprietary or confidential information, will be safeguarded by the CONTRACTOR and shall not be disclosed to any individual or organization without the prior written approval of the STATE.
 - b. All information, data, or other material provided by the CONTRACTOR to the STATE shall be subject to the Uniform Information Practices Act, chapter 92F, HRS.
25. Publicity. The CONTRACTOR shall not refer to the STATE, or any office, agency, or officer thereof, or any state employee, including the HOPA, the CPO, the Agency procurement officer, or to the services or goods, or both, provided under this Contract, in any of the CONTRACTOR'S brochures, advertisements, or other publicity of the CONTRACTOR. All media contacts with the CONTRACTOR about the subject matter of this Contract shall be referred to the Agency procurement officer.
26. Ownership Rights and Copyright. The STATE shall have complete ownership of all material, both finished and unfinished, which is developed, prepared, assembled, or conceived by the CONTRACTOR pursuant to this Contract, and all such material shall be considered "works made for hire." All such material shall be delivered to the STATE upon expiration or termination of this Contract. The STATE, in its sole discretion, shall have the exclusive right to copyright any product, concept, or material developed, prepared, assembled, or conceived by the CONTRACTOR pursuant to this Contract.
27. Liens and Warranties. Goods provided under this Contract shall be provided free of all liens and provided together with all applicable warranties, or with the warranties described in the Contract documents, whichever are greater.

28. Audit of Books and Records of the CONTRACTOR. The STATE may, at reasonable times and places, audit the books and records of the CONTRACTOR, prospective contractor, subcontractor, or prospective subcontractor which are related to:
- a. The cost or pricing data, and
 - b. A state contract, including subcontracts, other than a firm fixed-price contract.

29. Cost or Pricing Data. Cost or pricing data must be submitted to the Agency procurement officer and timely certified as accurate for contracts over \$100,000 unless the contract is for a multiple-term or as otherwise specified by the Agency procurement officer. Unless otherwise required by the Agency procurement officer, cost or pricing data submission is not required for contracts awarded pursuant to competitive sealed bid procedures.

If certified cost or pricing data are subsequently found to have been inaccurate, incomplete, or noncurrent as of the date stated in the certificate, the STATE is entitled to an adjustment of the contract price, including profit or fee, to exclude any significant sum by which the price, including profit or fee, was increased because of the defective data. It is presumed that overstated cost or pricing data increased the contract price in the amount of the defect plus related overhead and profit or fee. Therefore, unless there is a clear indication that the defective data was not used or relied upon, the price will be reduced in such amount.

30. Audit of Cost or Pricing Data. When cost or pricing principles are applicable, the STATE may require an audit of cost or pricing data.

31. Records Retention.

- (1) Upon any termination of this Contract or as otherwise required by applicable law, CONTRACTOR shall, pursuant to chapter 487R, HRS, destroy all copies (paper or electronic form) of personal information received from the STATE.
- (2) The CONTRACTOR and any subcontractors shall maintain the files, books, and records that relate to the Contract, including any personal information created or received by the CONTRACTOR on behalf of the STATE, and any cost or pricing data, for at least three (3) years after the date of final payment under the Contract. The personal information shall continue to be confidential and shall only be disclosed as permitted or required by law. After the three (3) year, or longer retention period as required by law has ended, the files, books, and records that contain personal information shall be destroyed pursuant to chapter 487R, HRS or returned to the STATE at the request of the STATE.

32. Antitrust Claims. The STATE and the CONTRACTOR recognize that in actual economic practice, overcharges resulting from antitrust violations are in fact usually borne by the purchaser. Therefore, the CONTRACTOR hereby assigns to STATE any and all claims for overcharges as to goods and materials purchased in connection with this Contract, except as to overcharges which result from violations commencing after the price is established under this Contract and which are not passed on to the STATE under an escalation clause.

33. Patented Articles. The CONTRACTOR shall defend, indemnify, and hold harmless the STATE, and its officers, employees, and agents from and against all liability, loss, damage, cost, and expense, including all attorneys fees, and all claims, suits, and demands arising out of or resulting from any claims, demands, or actions by the patent holder for infringement or other improper or unauthorized use of any patented article, patented process, or patented appliance in connection with this Contract. The CONTRACTOR shall be solely responsible for correcting or curing to the satisfaction of the STATE any such infringement or improper or unauthorized use, including, without limitation: (a) furnishing at no cost to the STATE a substitute article, process, or appliance acceptable to the STATE, (b) paying royalties or other required payments to the patent holder, (c) obtaining proper authorizations or releases from the patent holder, and (d) furnishing such security to or making such arrangements with the patent holder as may be necessary to correct or cure any such infringement or improper or unauthorized use.

34. Governing Law. The validity of this Contract and any of its terms or provisions, as well as the rights and duties of the parties to this Contract, shall be governed by the laws of the State of Hawaii. Any action at law or in equity to enforce or interpret the provisions of this Contract shall be brought in a state court of competent jurisdiction in Honolulu, Hawaii.
35. Compliance with Laws. The CONTRACTOR shall comply with all federal, state, and county laws, ordinances, codes, rules, and regulations, as the same may be amended from time to time, that in any way affect the CONTRACTOR'S performance of this Contract.
36. Conflict Between General Conditions and Procurement Rules. In the event of a conflict between the General Conditions and the procurement rules, the procurement rules in effect on the date this Contract became effective shall control and are hereby incorporated by reference.
37. Entire Contract. This Contract sets forth all of the agreements, conditions, understandings, promises, warranties, and representations between the STATE and the CONTRACTOR relative to this Contract. This Contract supersedes all prior agreements, conditions, understandings, promises, warranties, and representations, which shall have no further force or effect. There are no agreements, conditions, understandings, promises, warranties, or representations, oral or written, express or implied, between the STATE and the CONTRACTOR other than as set forth or as referred to herein.
38. Severability. In the event that any provision of this Contract is declared invalid or unenforceable by a court, such invalidity or unenforceability shall not affect the validity or enforceability of the remaining terms of this Contract.
39. Waiver. The failure of the STATE to insist upon the strict compliance with any term, provision, or condition of this Contract shall not constitute or be deemed to constitute a waiver or relinquishment of the STATE'S right to enforce the same in accordance with this Contract. The fact that the STATE specifically refers to one provision of the procurement rules or one section of the Hawaii Revised Statutes, and does not include other provisions or statutory sections in this Contract shall not constitute a waiver or relinquishment of the STATE'S rights or the CONTRACTOR'S obligations under the procurement rules or statutes.
40. Pollution Control. If during the performance of this Contract, the CONTRACTOR encounters a "release" or a "threatened release" of a reportable quantity of a "hazardous substance," "pollutant," or "contaminant" as those terms are defined in section 128D-1, HRS, the CONTRACTOR shall immediately notify the STATE and all other appropriate state, county, or federal agencies as required by law. The Contractor shall take all necessary actions, including stopping work, to avoid causing, contributing to, or making worse a release of a hazardous substance, pollutant, or contaminant, and shall promptly obey any orders the Environmental Protection Agency or the state Department of Health issues in response to the release. In the event there is an ensuing cease-work period, and the STATE determines that this Contract requires an adjustment of the time for performance, the Contract shall be modified in writing accordingly.
41. Campaign Contributions. The CONTRACTOR is hereby notified of the applicability of 11-355, HRS, which states that campaign contributions are prohibited from specified state or county government contractors during the terms of their contracts if the contractors are paid with funds appropriated by a legislative body.
42. Confidentiality of Personal Information.
- a. Definitions.
- "Personal information" means an individual's first name or first initial and last name in combination with any one or more of the following data elements, when either name or data elements are not encrypted:
- (1) Social security number;
 - (2) Driver's license number or Hawaii identification card number; or

- (3) Account number, credit or debit card number, access code, or password that would permit access to an individual's financial information.

Personal information does not include publicly available information that is lawfully made available to the general public from federal, state, or local government records.

"Technological safeguards" means the technology and the policy and procedures for use of the technology to protect and control access to personal information.

b. Confidentiality of Material.

- (1) All material given to or made available to the CONTRACTOR by the STATE by virtue of this Contract which is identified as personal information, shall be safeguarded by the CONTRACTOR and shall not be disclosed without the prior written approval of the STATE.
- (2) CONTRACTOR agrees not to retain, use, or disclose personal information for any purpose other than as permitted or required by this Contract.
- (3) CONTRACTOR agrees to implement appropriate "technological safeguards" that are acceptable to the STATE to reduce the risk of unauthorized access to personal information.
- (4) CONTRACTOR shall report to the STATE in a prompt and complete manner any security breaches involving personal information.
- (5) CONTRACTOR agrees to mitigate, to the extent practicable, any harmful effect that is known to CONTRACTOR because of a use or disclosure of personal information by CONTRACTOR in violation of the requirements of this paragraph.
- (6) CONTRACTOR shall complete and retain a log of all disclosures made of personal information received from the STATE, or personal information created or received by CONTRACTOR on behalf of the STATE.

c. Security Awareness Training and Confidentiality Agreements.

- (1) CONTRACTOR certifies that all of its employees who will have access to the personal information have completed training on security awareness topics relating to protecting personal information.
- (2) CONTRACTOR certifies that confidentiality agreements have been signed by all of its employees who will have access to the personal information acknowledging that:
 - (A) The personal information collected, used, or maintained by the CONTRACTOR will be treated as confidential;
 - (B) Access to the personal information will be allowed only as necessary to perform the Contract; and
 - (C) Use of the personal information will be restricted to uses consistent with the services subject to this Contract.

d. Termination for Cause. In addition to any other remedies provided by this Contract, if the STATE learns of a material breach by CONTRACTOR of this paragraph by CONTRACTOR, the STATE may at its sole discretion:

- (1) Provide an opportunity for the CONTRACTOR to cure the breach or end the violation; or
- (2) Immediately terminate this Contract.

In either instance, the CONTRACTOR and the STATE shall follow chapter 487N, HRS, with respect to notification of a security breach of personal information.

e. Records Retention.

- (1) Upon any termination of this Contract or as otherwise required by applicable law, CONTRACTOR shall, pursuant to chapter 487R, HRS, destroy all copies (paper or electronic form) of personal information received from the STATE.
- (2) The CONTRACTOR and any subcontractors shall maintain the files, books, and records that relate to the Contract, including any personal information created or received by the CONTRACTOR on behalf of the STATE, and any cost or pricing data, for at least three (3) years after the date of final payment under the Contract. The personal information shall continue to be confidential and shall only be disclosed as permitted or required by law. After the three (3) year, or longer retention period as required by law has ended, the files, books, and records that contain personal information shall be destroyed pursuant to chapter 487R, HRS or returned to the STATE at the request of the STATE.
