

PROPOSAL

FOR

DEPARTMENT OF LAND AND NATURAL RESOURCES
ENGINEERING DIVISION
State of Hawai‘i

PROJECT NO: F14C728D
KEALAKEKUA BAY STATE HISTORICAL PARK IMPROVEMENTS
SOUTH KONA, HAWAI‘I

_____, 2026

Chief Engineer
Engineering Division
Department of Land and Natural Resources
State of Hawai‘i
Honolulu, Hawai‘i

Dear Sir,

The undersign, having carefully examined the local conditions and all available records and information covering conditions which may affect the cost of the work to be performed, and have carefully examined the Plans and Specifications, and and other contract documents, hereby proposes to furnish all labor, materials, equipment, and supervision necessary to complete the following work at the Ka’awaloa and Nāpō’opo’o areas. At the Ka’awaloa site, the Contractor shall construct one new composting restroom facility, including all associated site work, foundation, ventilation, and waste treatment components. Within the Nāpō’opo’o area, the Contractor shall construct a new paved parking area, along with an interpretative shelter and a facility storage building; both buildings shall include restrooms that connect to a new aerobic wastewater treatment system (AWTS) to be provided and installed by the Contractor. The Contractor shall also construct a boardwalk connecting the mauka parking lot to the existing pavilion site. At the pavilion itself, the Contractor shall remove the existing asphalt pavement and install a new asphalt overlay, including the creation of a designated loading and unloading zone with painted markings. The pavilion shall be prepared and painted with two coats of exterior-grade paint, all existing plumbing fixtures shall be removed and replaced in kind, any concrete defects shall be repaired, and the main electrical box together with the existing light timer shall be removed and replaced with new code-compliant equipment.

All necessary appurtenances will be included to complete the project, as required or called for in this Proposal, all according to the true intent and meaning of the Notice to Bidders, Information and Instructions to Bidders, Proposal, Detailed Specifications, Interim General Conditions, Plans, and any and all addenda for:

on file in the office of the Engineering Division for the TOTAL BASE BID (Items 1 to 23) of:

_____ Dollars (\$_____)

and will fully complete all work under this contact within 365 consecutive calendar days from the date of written notice to proceed, including date of said order, said total sum being itemized on the following pages.

ADDITIVE BID ITEMS

The Bidder further proposes to incorporate in the work the Additive Bid Items as described on the drawings and Specifications Section 01230 ADDITIVE BID ITEMS for the following amounts.

The Bidders must complete fill in the dollar amounts for each Additive Bid Items, where the work will be performed at no cost to the State, fill in "\$00.00" as the dollar amount. If additive dollar amounts are left blank, the proposal will be rejected as being an "irregular proposal".

Additive Bid Item #1

_____ Dollars (\$_____)

Additive Bid Item #2

_____ Dollars (\$_____)

PROPOSAL

BASE BID

Item No.	Quantity	Unit	Title Description	Unit Price	Total
1	1	LS	Furnish, install, monitor and maintain all temporary erosion and sediment control devices, in satisfactory working order, complete in place and in accordance with contract documents (BMP Plans).	Lump Sum	\$
2	1	LS	Pavilion Site: Demolition of all associated items indicated within the contract documents, including hauling and disposal of all unsalvageable materials.	Lump Sum	\$
3	1	LS	Pavilion Parking Lot (Nāpō'opo'o): Site civil work to include but not limited to: final grading, compaction, asphalt pavement, subbase, subgrade, and posts, complete in place and in accordance with contract documents.	Lump Sum	\$
4	1	LS	Pavilion Building Improvements: Site Architectural, Electrical, Plumbing and Civil work to include but not limited to: upgrading of all plumbing fixtures; painting of the exterior and interior structure following State Parks color scheme; upgrade main electrical panel and timer; remove and replace two (2) existing concrete grills; remove and replace outdoor shower system with trench drains and seepage pit; comply with all ADA regulations; complete in place and in accordance with contract documents.	Lump Sum	\$
5	1	LS	Pavilion Asphalt Removal & Overlay: Remove existing asphalt pavement at pavilion area; install new asphalt overlay; create designated loading/unloading zone with painting markings – complete in place and in accordance with contract documents.	Lump Sum	\$
6	1	LS	Pavilion Electrical System Upgrade: Remove and replace main electrical box and existing light timer with new code-compliant equipment; all necessary conduit, wiring, breakers, and grounding – complete as shown and specified.	Lump Sum	\$
7	1	LS	Project Sign; complete in place and in accordance with contract documents.	Lump Sum	\$
8	1	LS	Nāpō'opo'o Interpretive Shelter Building: New shelter with restrooms including all site work; foundation, framing, finishes, roofing, plumbing rough-in and finish fixtures, electrical, ventilation, and ADA access – complete in place and in accordance with contract documents.	Lump Sum	\$

9	1	LS	Mauka Parking Lot (Nāpō‘opo‘o): Site civil work – final grading, compaction, pavement paver system, subbase, sidewalks, subgrade in place, guard posts, drainage facilities, new site fencing to protect archaeologist sites including access gate; complete in place and in accordance with contract documents.	Lump Sum	\$
10	1	LS	Aerobic Wastewater Treatment System (AWTS) (Nāpō‘opo‘o): Furnish and install new AWTS sized for the two new Nāpō‘opo‘o buildings (interpretive shelter + storage building) including all tanks, piping, aeration, controls, effluent disposal, permits, and testing – complete in place and in accordance with contract documents.	Lump Sum	\$
11	1	LS	Graded Earth Berm with Hydroseeding: Construct an earthen berm per plan including clearing, excavation, fill placement, compaction, and final grading. Immediately after grading, apply hydro-seed to all berm surfaces. Maintain hydro-seed application until uniform coverage is established. Re-seed any failed areas at Contractor’s expense; complete in place and in accordance with contract documents.	Lump Sum	\$
12	1	LS	Installation of fire protection system, including but not limited to a filled with water – fire protection tank, tank appurtenances, tank concrete foundation, hauler tank connection valving; fittings, drawings, and all incidental work, complete in place and in accordance with contract documents.	Lump Sum	\$
13	1	LS	Boardwalk (Mauka parking lot to existing pavilion) (Nāpō‘opo‘o): New boardwalk construction including foundations, framing, decking, railing, site grading, and transition to pavilion- complete in place and in accordance with contract documents.	Lump Sum	\$
14	1	LS	<div style="border: 2px solid red; padding: 10px; text-align: center;"> <p>Redundant with #6. Do not include in Base Bid Total.</p> </div>	Lump Sum	\$
15	1	LS	Installation of a 4’ protective fencing w/gate around the Gaspar archaeological site including but not limit to staking and layout, concrete, fencing, post rails, bracing, hardware and all incidental work, complete in place and in accordance with contract documents.	Lump Sum	\$

16	1	LS	Soil Preparation and amendment: Furnish and apply all soil amendments, including importing topsoil and organic compost/soil conditioner over all landscape area, tilled into the existing soil; complete in place and in accordance with contract documents.	Lump Sum	\$
17	1	LS	Plant Materials (All Plants): Furnish and install all palms, canopy trees, accent trees, shrubs, and ground cover as to species, sizes, quantities, spacing, and locations; complete in place and in accordance with contract documents.	Lump Sum	\$
18	1	LS	Irrigation System: Furnish, install, operate, and maintain above-ground irrigation systems for plant establishment for ninety (90) days. Include all hoses, drip tubing, timers, backflow prevention fitting, connection to water source, water usage, final removal, site restoration and all incidental work in accordance with contract documents.	Lump Sum	\$
19	1	LS	Project Sign complete and in place.	Lump Sum	\$
20	1	FA	Additional Archaeological Monitoring including coordination with archaeologist, archaeologist's reports and archaeologist's coordination with State Historic Preservation Division	Force Account	\$ 150,000
21	1	FA	Unforeseen conditions	Force Account	\$ 100,000
22	1	FA	HECO Fees (Power poles, overhead lines, transformer installation)	Force Account	\$ 200,000
Subtotal Base Bid (Items 1-22)					\$
23	1	LS	Mobilization and Demobilization (not to exceed 10% of Subtotal Base Bid).	Lump Sum	\$
Total Base Bid (Items 1-23)					\$

ADDITIVE BID NO. 1

1	1	LS	Nāpō‘opo‘o Facility Storage Building: New storage building with restrooms including site work, foundation, structure, finishes, plumbing fixtures, electrical, and connection to AWTS; complete in place and in accordance with contract documents.	Lump Sum	\$
Total Additive Bid No. 1					\$

ADDITIVE BID NO. 2

1	1	LS	Ka’awaloa Composting Restroom Facility: New composting restroom building including all site work, foundation, ventilations systems, waste treatment components, internal fixtures, signage, and connection to existing utilities, complete in place and in accordance with contract documents.	Lump Sum	\$
Total Additive Bid No. 2					\$

RECYCLED PRODUCTS PREFERENCE

This project allows a 10% price preference for recycled products in accordance with HRS 103D-1005. Please indicate your selection of recycled or non-recycled product by indicating its cost FOB jobsite unloaded in the schedule below, including applicable General Excise & Use Taxes.

<u>DESCRIPTION</u>	<u>RECYCLED PRODUCT COST</u>	<u>NONRECYCLED PRODUCT COST</u>
_____	\$ _____	\$ _____
_____	\$ _____	\$ _____
_____	\$ _____	\$ _____
_____	\$ _____	\$ _____

The bidder requesting a recycled product preference shall also complete and submit the form "CERTIFICATION OF RECYCLED CONTENT" as shown in the Interim General Conditions and provide all supporting information with this proposal. Additional information may be requested to qualify a product.

The following definitions are applicable to the CERTIFICATION OF RECYCLED CONTENT form:

"Post-consumer recovered material" means any product used by a consumer, including a business that purchases the material, that has served its intended end use, and that has been separated or diverted from the solid waste stream for the purpose of use, reuse, or recycling.

"Product" includes materials, manufactures, supplies, merchandise, goods, wares, and foodstuffs.

"Recovered material" means waste material and by-products that have been separated, diverted, or removed from the solid waste stream after a manufacturing process for the purpose of use, reuse, or recycling. Recovered material does not include those materials and by-products that are generated and normally reused on-site or within original manufacturing processes (such as mill broke, in the case of paper products).

"Recycled content" means the percentage of a product composed of recovered material, or post-consumer recovered material, or both.

"Recycled product" means a product containing recovered material, or post-consumer recovered material, or both.

The bidder agrees that preference for recycled products shall be taken into consideration to determine the low bidder in accordance with said Section and the rules promulgated, however, the award of contract will be in the amount of the bid offered exclusive any preference.

APPRENTICESHIP AGREEMENT PREFERENCE

1. If applicable to this project, any bidder seeking the preference must be a party to an apprenticeship agreement registered with the State Department of Labor and Industrial Relations (DLIR) at the time the bid is submitted for each apprenticeable trade the bidder will employ to construct the project. “Employ” means the employment of a person in an employer-employee relationship.
 - a. The apprenticeship agreement shall be registered with the DLIR and conform to the requirements of Hawaii Revised Statutes Chapter 372.
 - b. Subcontractors do not have to be a party to an apprenticeship agreement for the bidder to obtain preference.
 - c. The bidder is not required to have apprentices in its employ at the time the bid is submitted to qualify for the preference.
2. A bidder seeking the preference must state the apprenticeable trade the bidder will employ for each trade to be employed to perform the work by submitting a completed signed original Certification Form 1 verifying participation in an apprenticeship program registered with DLIR. “Apprenticeable trade” shall have the same meaning as “apprenticeable occupation” pursuant to Hawaii Administrative Rules (HAR) §12-30-5.
 - a. The *Certification Form 1* shall be authorized by an apprenticeship sponsor listed on the DLIR list of registered apprenticeship programs. “Sponsor” means an operator of an apprenticeship program and in whose name the program is approved and registered with the DLIR pursuant to HAR §12-30-1.
 - b. The authorization shall be an original signature by an authorized official of the apprenticeship sponsor.
 - c. The completed signed original Certification Form 1 for each trade must be submitted with the bid. Previous certifications shall not apply.
 - d. When filling out the *Certification Form 1*, the name of Apprenticeable Trade and Apprenticeship Sponsor must be the same as recorded in the List of Construction Trades in Registered Apprenticeship Programs that is posted on the DLIR website. “Registered apprenticeship program” means a construction trade program approved by the DLIR pursuant to HAR §12-301 and §12-30-4.
 - e. The *Certificate Form 1* and the List of Construction Trades in Registered Apprenticeship Programs is available on the DLIR website at: <http://hawaii.gov/labor/wdd>.
3. Upon receiving the *Certification Form 1*, the Procurement Officer will verify that the apprenticeship program is on the List of Construction Trades in Registered Apprenticeship Programs and that the form is signed by an authorized official of the Apprenticeship Program Sponsor. If the programs and signature are not confirmed by the DLIR, the bidder will not qualify for the preference.
4. If the bidder is certified to participate in an apprenticeship program for each trade which will be employed by the bidder for the project, a preference will be applied to decrease the bidder’s bid

amount by five percent (5%) for evaluation purposes.

5. Should the bidder qualify for other preferences, all applicable preferences shall be applied to the bid price.

CONTRIBUTIONS BY STATE AND COUNTY CONTRACTORS PROHIBITED

Contractors are hereby notified of the applicability of Section 11-355, HRS, which states that campaign contributions are prohibited from specified State or county government contractors during the term of the contract if the contractors are paid with funds appropriated by a legislative body.

CONDITION OF AWARD

It is understood that the award of the contract will be made on the basis of the lowest responsible Total Base Bid (Items 1 to 23) selected by the Board of Land and Natural Resources. Write the total of bid items 1 to 23 on page P-1.

In the event the low bid is below the available funds certified by the appropriate fiscal officer, the head of the purchasing agency responsible for the procurement in question is authorized to award Additives to the lowest bidder. The award of Additives may be in any order or combination such that the Base Bid plus Additives do not exceed the available funds.

It is understood and agreed that the Board of Land and Natural Resources reserves the right to reject any and/or all bids and waive any defects when, in the Board's opinion, such rejection or waiver will be for the best interest of the State of Hawaii.

In the event all bids exceed available funds certified by the appropriate fiscal officer, the head of the purchasing agency responsible for the procurement in question is authorized in situations where time or economic considerations preclude resolicitation of work of a reduced scope to negotiate an adjustment of the bid price, including changes in the bid requirements, with the low responsible and responsive bidder, in order to bring the bid within the amount of available funds. It is understood and agreed upon that the head of the purchasing agency may delete a portion or all of any item(s) in the proposal at the stated unit or lump sum price as necessary to stay within the available funding. The bidder is responsible to make an earnest effort to represent the actual cost of each item, including all materials, labor, equipment, overhead and profit in their bid proposal to preclude claims of anticipated profit or loss of profit because of an unbalanced bid proposal.

It is also understood that if a mutually agreeable cost for the reduced scope of work necessitated by a lack of available funds cannot be agreed upon between the bidder and the head of the purchasing agency within 14 calendar days after the bid opening, then the bid may be rejected in the best interest of the purchasing agency, and the head of the purchasing agency may negotiate in progressive order (lowest to highest) with the next lowest responsible and responsive bidder.

It is also understood and agreed that the award of the contract shall be conditioned upon funds being made available for this project and further upon the right of the Board of Land and Natural Resources to hold all bids received for a period of three hundred sixty-five (365) days from the date of the opening thereof, unless otherwise required by law, during which time no bid may be withdrawn.

It is also understood that Notice to Proceed may be delayed up to eighteen (18) months after the bid opening date, and that no additional compensation will be provided for any claim for escalation or delay for issuance of Notice to Proceed on or before that date.

It is also understood and agreed that the quantities given herewith are approximate only and are subject to increase or decrease, and that the undersigned will perform all quantities of work as either increased or decreased, in accordance with the provisions of the Contract Specifications.

It is also understood and agreed that the estimated quantities shown for the items for which a UNIT PRICE is asked in this Proposal are only for the purpose of comparing on a uniform basis, bids offered for the work under this contract, and the undersigned agrees that he is satisfied with and will at no time, dispute said estimated quantities as a means of claims for anticipated profit or loss of profit, because of a difference between the quantities of the various classes of work done or the materials and equipment installed, and the said estimated quantities. On UNIT PRICE bids, payment will be made only for the actual number of units incorporated into the finished project at the contract UNIT PRICE.

After the HIEPRO bid due date and time, the figures will be extended and/or totaled in accordance with the bid prices of the acceptable proposals and the totals will be compared. In the comparison of bids, words written in the proposal shall govern over figures and unit prices will govern over totals. Until the award of the contract, however, the right will be reserved to reject any and all proposals and to waive any defects or technicalities as may be deemed best for the interest of the State.

It is also understood and agreed that liquidated damages in the amount of five hundred and zero cents (\$500.00) for each and every calendar day in excess thereof prior to completion of the contract shall be withheld from payments due to the Contractor.

It is also understood and agreed that if this bid is accepted, the successful bidder must enter into and execute a contract with the Board of Land and Natural Resources and furnish a Performance and Payment Bond, as required by law. These bonds shall conform to provisions of Section 103D-324 and 325, Hawaii Revised Statutes and any law applicable hereto.

It is also understood and agreed that the successful bidder will provide all necessary labor, materials, tools, equipment, and other incidentals necessary to do all the work and furnish all the materials specified in the contract in the manner and time herein prescribed, and according to the requirements of the Engineer as therein set forth.

It is understood that by submitting this proposal, the undersigned is declaring that his firm has not been assisted or represented on this matter by an individual who has, in a State capacity, been involved in the subject matter of this contract in the past two years.

It is understood that by submitting this proposal in accordance with HAR 3-122-192, the undersigned is declaring that the price submitted is independently arrived without collusion.

It is also understood that by submitting this proposal, a Certification for Safety and Health Programs for bids in excess of \$100,000 (in accordance with HRS 396-18), the undersigned certifies that his organization will have a written safety and health plan for this project that will be available and implemented by the Notice to Proceed date of this project. Details of the requirements of this plan may be obtained from the Department of Labor and Industrial Relations, Occupational, Safety and Health Division (HIOSH).

It is further understood and agreed that the successful bidder shall comply with paragraph 3.1.a "SUBCONTRACTING" of the General Provisions which requires that the contractor shall perform with his own organization and with the assistance of workmen under his immediate superintendence, work of a value not less than twenty percent (20%) of the value of all work embraced in the Contract, except that certain contract items of work, if specifically referred to in the special provisions, will be exempted from said twenty percent requirement.

Compliance with §103-310 HRS. As a condition of award all bidders shall comply with all laws governing entities doing business in the State, including Chapter 237 HRS (general excise tax); Chapter 383 HRS (employment security – unemployment insurance); Chapter 386 HRS (workers compensation); Chapter 392 HRS (temporary disability insurance); and Chapter 393 HRS (pre-paid health care), and shall produce all documents to the State (DLNR, Engineering Division) required to demonstrate compliance with these subsections. Any bidder making a false affirmation or certification under this subsection shall be suspended and may be debarred from further offerings or awards pursuant to §103D-702 HRS.

RECEIPT OF ADDENDA

The bidder also acknowledges receipt of any and all addenda issued by the Engineering Division, by recording the date of receipt of the respective addenda in the space provided below:

<u>Addendum</u>	<u>Date Received</u>	<u>Addendum</u>	<u>Date Received</u>
No. 1	_____	No. 5	_____
No. 2	_____	No. 6	_____
No. 3	_____	No. 7	_____
No. 4	_____	No. 8	_____

It is understood that failure to receive any such addendum shall not relieve the Contractor from any obligation under this Proposal as submitted.

It is also understood and agreed that if this Proposal is accepted and the undersigned should fail or neglect to contract as aforesaid, the Board may determine that the bidder has abandoned the Contract, and thereupon, forfeiture of the security accompanying his proposal shall operate and the same shall become the property of the Board.

JOINT CONTRACTORS OR SUBCONTRACTORS
TO BE ENGAGED ON THIS PROJECT

The Bidder agrees that the following is a complete listing of all joint contractors or subcontractors covered under Chapter 444, Hawaii Revised Statutes (HRS), who will be engaged by the Bidder on this project to perform the required work indicated pursuant to Section 103D-302, HRS. It is the sole responsibility of the contractor to review the requirements of this Project and determine the appropriate licenses that are required to complete the Project. The Bidder certifies that the completed listing of joint contractors or subcontractors fulfills the requirements for the project and the Bidder, together with the listed subcontractors or joint contractors have all the specialty contractor's licenses to complete the work, except as provided for in HRS §103D-302(b). Failure of the Bidder to comply with this requirement may be just cause for rejection of the bid.

"A" General Engineering Contractors and "B" General Building Contractors are reminded that due to the Hawaii Supreme Court's January 28, 2002 decision in Okada Trucking Co., Ltd. v. Board of Water Supply, et al., 97 Haw. 450 (2002), they are prohibited from undertaking any work, solely or as part of a larger project, which would require the general contractor to act as a specialty contractor in any area in which the general contractor has no license. Although the "A" and "B" contractor may still bid on and act as the "prime" contractor on an "A" or "B" project (See, HRS §444-7 for the definitions of an "A" and "B" project.), respectively, the "A" and "B" contractor may only perform work in the areas in which they have the appropriate contractor's license (*An "A" or "B" contractor obtains "C" specialty contractor's licenses either on its own, or automatically under HAR § 16-77-32*). The remaining work must be performed by appropriately licensed entities.

General Engineering "A" Contractors automatically have these "C" specialty contractor's licenses: C-3, C-9, C-10, C-17, C-24, C-31a, C-32, C-35, C-37a, C-37b, C-38, C-43, C-49, C-56, C-57a, C-57b and C-61.

General Building "B" Contractors automatically have these "C" specialty contractor's licenses: C-5, C-6, C-10, C-12, C-24, C-25, C-31a, C-32a, C-42a and C-42b.

In completing the Joint Contractors or Subcontractors List, describe the specialty contractor's nature and scope of work to be performed for this project and provide the complete firm name of the joint contractor or subcontractor in the respective columns. If the Bidder is a general contractor and providing the work of the required specialty contractor, fill in the Bidder's (general contractor's) name and nature and scope of work to be performed on this project.

List only one joint contractor or subcontractor per required specialty contractor's classification, unless within the same specialty, the work of each joint contractor or subcontractor can be described so that there is no overlap in work descriptions.

If a contractor's license is required by law for the performance of the work which is called for in this bid, the bidder and all subcontractors must have the required license before the submission of the bidder's proposal in the case of a non-federal aid project, and for federal-aid projects, the bidder must have the required license prior to the award of the project and all subcontractors prior to the start of the subcontracted work.

COMPLETE FIRM NAME OF JOINT CONTRACTOR OR SUBCONTRACTOR	NATURE AND SCOPE OF WORK TO BE PERFORMED

JOINT CONTRACTORS OR SUBCONTRACTORS LIST FOR THE ADDITIVE(S):

Bidder agrees that for projects with additives(s), the Bidder, joint contractor or subcontractor listed in the completed “Joint Contractors or Subcontractors List for the Additives(s)” will perform work for the respective additives.

Additive 1

COMPLETE FIRM NAME OF JOINT CONTRACTOR OR SUBCONTRACTOR	NATURE AND SCOPE OF WORK TO BE PERFORMED

Additive 2

COMPLETE FIRM NAME OF JOINT CONTRACTOR OR SUBCONTRACTOR	NATURE AND SCOPE OF WORK TO BE PERFORMED

Enclosed herewith is a:
