This survey is critical to understanding boating activity and fish catches

Responses are strictly confidential and only used for estimating boating activity and accurate snapper catches (uku, opakapaka, onaga, and ehu)

Please answer this survey card for boating activities only in **MARCH 2026** using the boat registered to this address, even if it was not used for fishing. If multiple boats are at this address, it is critical that you answer the survey card **only** for the vessel with registration **HA-1234-E**.

Please answer this survey card even if you have already responded for a previous month or reported your catch elsewhere. Include catches from all participants on this specific boat. Do not include catches released alive. Please also follow other reporting requirements (CML or others).

Please provide your best estimates, even if they are approximate.

When answering, enter zero for none. Leave blank if unknown or if the question is not applicable to this boat.

Please detach the survey card along the dotted line and mail it back.
