RESPONSES TO REQUESTS FOR INFORMATION

Project Title: Guardrail Repairs at Various Locations
Island of Oahu

Project No.: HWY-OM-2026-35

Solicitation No.: B26003227

Prospective bidders had submitted RFI in HlePRO. Question and response are as follows:

1. **Can you please confirm that 5% bid security is correct? In similar bidding projects the bid security is a set amount per area. Also can you please confirm that one bid security is required for the entire bid, in similar projects there were previously separate bid securities needed for each area.**

Bidders are required to submit a bid security in the amount of 5% of the total amount bid per area. A separate proposal guaranty is required for each area being bid on.
