

INDEPENDENT EVALUATION, MEASUREMENT, AND VERIFICATION CONTRACTOR

Amendment #2

1. Amending Task 7: Additional Evaluation Related Services (Page 27 of 64, bullet points 2 & 3):

- Provide process evaluations. The Commission anticipates conducting at least one process evaluation of the PBFA for PY25.
- Provide additional market studies (in addition to those described above). The Commission anticipates conducting surveys and/or interviews with 1) participating and non-participating contractors/market actors serving commercial customers and 2) participating and non-participating commercial customers.

2. Amending 3.7.6 Proposal Section 4: Technical Response, Section 3.7.6.b Offeror Essay Questions on page 41 of 64 (Offeror Question 2: Verification Studies-paragraph after the bullet points) revised to state:

REVISED LANGUAGE:

- “In considering budgets and scope, Offerors should assume a September 1, 2026, start for this work with all final materials delivered by no later than February 28, 2030.”
