

ADDENDUM NO. 1
TO THE SCOPE OF WORK/SPECIFICATIONS OF SOLICITATION NO. Q 26003423

- 1. Reduce the number of Gym Area's replacement wall mounted fluorescent fixtures from sixteen (16) sets to fifteen (15) sets. The deducted one (1) set shall be the type without the emergency battery pack.**
- 2. All existing high bay luminaire fixtures and fluorescent fixtures' lamps and ballasts are presumed to contain toxic substances such as mercury and polychlorinated biphenyl (PCB) or any of a family of highly toxic, possibly carcinogenic compounds used in the manufacturing industry. The interested Bidders shall include in their cost estimate, the cost of disposal fees for all toxic substance-containing fixtures.**
- 3. Additional "Attachment" to the Scope of Work/Specifications, page 05 of 05: One (1) sheet of Plan Sheet No. A-12 which is part of the Architectural Plans showing Armory Building's Sections. The Plan shows the height of structural steel trusses' bottom chord which is approximately of same height as the existing high bay luminaire fixtures.**
