ADDENDUM A

TO

REQUEST FOR PROPOSALS

RFP D26-100

TO PROVIDE

ON-CALL SECURITY SERVICES FOR THE HAWAII STATE DEPARTMENT OF EDUCATION AT
VARIOUS SCHOOLS AND OFFICES, STATEWIDE

This addendum is hereby issued to respond to the following question(s):

- Q1: We currently do not have the required auto insurance and we have to wait until renewal (later this year) to make adjustments. Does this prevent us from being eligible, or is there a temporary waiver that we could apply for?**
- A1:** Certificate(s) of Insurance are not required at the time of proposal submittal. Awardee(s), if any, will need to comply with minimum insurance coverages, limits, and clauses specified in RFP Appendix H, Section 8, Liability Insurance. A temporary waiver is not available.
