6. **DELIVERY DATE**

The circulating water pump shall be delivered to the Agribusiness Development Corporation 7189-D Kaumualii Hwy., Kekaha, HI 96752 on Kauai on or before April 30, 2027.

The following documents shall be included with the equipment upon delivery to the above-specified location:

1. Pump Hour Certificate;
2. Notarized Certificate of Bill of Sale;
3. Certificate of Weight and Measures (required if factory-furnished vehicle weight is unavailable), which shall include make, model number, year, and vehicle identification number. Verified weight in pounds must be officially machine-stamped (handwritten weight shall not be accepted);
4. Certificate of origin;

7. PAYMENT

Acceptance of payment for the vehicle delivered will not be made with the inclusion of the required documents and certificates.

Section 103-10, HRS, provides that the State shall have thirty (30) calendar days after receipt of invoice for satisfactory delivery of goods or performance of the services, to make payment in accordance with the Purchase Order. For this reason, the State will reject any bid submitted with a condition requiring payment within a shorter period. Further, the State will reject any bid submitted with a condition requiring interest payments greater than that allowed by §103-10, HRS, as amended.

The State will not recognize any requirement established by the Contractor and communicated to the State after award of the contract that requires payment within a shorter period or interest payment not in conformance with statute.

The State will base payment on invoices submitted by the Contractor for satisfactorily completed delivery of the goods.

8. SUBSTITUTIONS TO BE APPROVED IN ADVANCE

The manufacturer and model number for the circulating water pump in the attached TECHNICAL SPECIFICATIONS are used as a measure of quality, style, size, appearance, and performance.

Any brand or manufacturer of equal or better quality and performance than that specified will be considered for acceptance by ADC upon submission of a Request for Substitution. The Request for Substitution must include a statement of variances which lists all features of the proposed substitution differing from the specifications and/or product specified and must further certify that the substitute has no other variant features. In addition, the Request for Substitution must include manufacturer's literature or brochures containing technical data and illustrations providing sufficient evidence to enable ADC to evaluate each feature listed as a variance. ADC may, at its discretion, reject or deny any submittal containing insufficient information or any substitution that it deems unequal, and the findings in these regards shall be accepted by the bidder as final and binding.

All requests for substitution of items shall be emailed to the ADC Project Manager, Ken Nakamoto, at ken.t.nakamoto@hawaii.gov no later than **2:00 p.m. HST, Wednesday, August 12, 2026**. ADC shall not be required to consider any Request for Substitution received after this deadline.

ADC may at its discretion reject or deny any substitution that it deems unequal, and the findings in this regard shall be accepted by the bidders as final and binding. Notification of approval or rejection/denial of substitution requests shall be posted in HlePRO on **August 14, 2026**.

A bid which includes a substitution shall be considered only if the substitution has been approved by ADC.
