

**Hawai'i State Foundation on Culture and the Arts
SFCA Photographic Services
Qualifications Form**

Legal Name of Entity submitting the proposal:

1. Your organization or business – Briefly describe what your business is, your location, how long have you been doing this, and how you provide your services.

2. Public Art and Cultural Experience – Briefly describe your experience photographing public art installations, cultural events, or museum exhibitions.

3. Technical Workflow – Briefly describe your technical workflow for color accuracy, file management, and archiving (e.g., RAW file capture, archival naming conventions, and secure cloud backups)?

4. Turnaround Time – What is your standard turnaround time for culling, editing, and delivering final high-resolution and web-optimized digital assets?

5. Equipment and Reliability – Please describe your professional camera gear, lighting equipment, and backup systems to ensure high-quality documentation and reliability during assignments.

6. Please provide a PDF portfolio demonstrating recent professional photography experience, specifically highlighting documentation of cultural arts programs, public events, community education initiatives, or visual arts exhibitions.

Please provide a PDF portfolio.
