

SAMPLE OF LETTER
SIZE COVER:

white label 6"

The diagram shows a white label with a width of 6 inches. On the left side, there are two circular punch holes. The distance between the centers of these holes is 2-1/2 inches. The distance from the top edge of the label to the center of the top hole is 1/4 inch, and the distance from the center of the bottom hole to the bottom edge is also 1/4 inch. The label is divided into sections by vertical dashed lines, which are labeled as 'Crease' at the bottom. The fields on the label are as follows:

FISCAL YEAR
