10.19 CONTRACT TERM

The term of this Contract shall be for a twelve (12) month period beginning from the date indicated in the Notice to Proceed from the State unless renewed as provided for under Section 10.20.

1

10.20 OPTION TO EXTEND TERM

Subject to the satisfactory performance of the Contractor and the availability of State appropriations, this contract may be extended for TWO (2) ADDITIONAL twelve (12) month periods, at the option of the State provided:

1. The option to extend is exercised by the State, prior to the expiration of the term of the existing contract;

2. The contract may be extended for TWO (2) additional twelve (12) month periods without the necessity for rebidding, upon mutual agreement in writing to extend by the State and Contractor;

3. The total term of the contract, including any and all extensions, shall not exceed THIRTY-SIX (36) MONTHS;

4. Compensation to the Contractor for each renewal period shall be based on the unit prices as bid in the Proposal Schedule

10.21 TRAINING AND CONTINUITY

Should the State elect to solicit bids for preventative and corrective maintenance services, the Contractor shall provide a minimum of 14 days training period for two (2) personnel designated by the State. The training shall be conducted on-site. No additional payment shall be made to maintain this continuity.

10.22 STORAGE AND OFFICE SPACES

Pending the availability of space on airport property, the State will issue a permit to the Contractor for the use of the space, at a rate of $30.00 per space per month, to be used specifically for a field office and/or storage of materials and equipment.

PROJECT: Maintenance of the Telephone Systems
Daniel K. Inouye International Airport
State Project No. BO1641-53

PRESENT: See attendance list

SUBJECT: Pre-Bid Meeting

MEETING AGENDA:

A. INTRODUCTION

1. Attendees introduce themselves (name/company)

B. GENERAL DISCUSSION

1. This meeting is solely for clarifying general questions. If there is a conflict between what is stated in this meeting and the bid documents, the bid documents shall govern. Any significant changes will be issued through an addendum. A copy of the meeting minutes will be issued to all attendees.

2. The scope of work consists of maintenance services for the telephone systems at Daniel K. Inouye International Airport (HNL).

3. Bids are due on November 9, 2026 at 2 PM HST via HIePRO.

4. Per Notice to Bidders (NTB), any questions or RFIs shall be submitted no later than October 26, 2026 at 2 PM HST via HIePRO. Anything received afterwards will not be responded to.

5. The Contractor shall possess a valid State of Hawaii Specialty Contractor's "C-13, C-15, or C-15b" License **at time of bidding**.

6. Project duration is one (1) calendar year, with two (2) 12-month extensions as necessary.

7. Barring any issues with the Award or contract execution process, the State plans to issue an NTP by early January 2027 at the earliest.

8. Requests for AOA badges, AOA stickers, ramp licenses and so forth shall be submitted within 14 calendar days after Award of Contract. In addition to the requirements set forth in the Contract Documents, Contractors shall comply with the requirements and procedures of the Contractor‘s Training Guide.

9. Brief recap of the project for understanding.

10. Contractors are reminded to acknowledge all addendums on PF-5, complete the Proposal Schedule in its entirety, provide all necessary documentation, not to “condition” their bids in any way, and to upload their proposal to HIePRO before the deadline.

C. <u>MEETING SUMMARY</u>:

During the meeting, briefly went over contract documents, including the relevant sections pertaining to the required work, explanation of pages PF-1 to PF-10 with the preference pages, and various other issues. Questions were raised about whether contractor is responsible for furnishing NEC SV9500 / SV9100 systems due to being at End of Life at the time – attendees were advised that an answer to these questions will be provided in an addendum, and to submit questions via HIePRO as RFI’s.

Meeting adjourned at: 10:30 AM

RESPONSES TO REQUEST FOR INFORMATION (RFI's / QUESTIONS)

The following Requests for Information (RFI) were received.

1. **QUESTION**: Please clarify whether the contractor is responsible for furnishing replacement PBX switch hardware in the event of catastrophic failure of the NEC SV9500/SV9100 systems, or whether replacement equipment would be procured separately by the State under Section 10.17 New Equipment Installation/Extra Work.

   ANSWER: The Contractor will be responsible for furnishing replacement PBX equipment in the event of catastrophic failure, and will be compensated through item 6 in the Proposal Schedule.

2. **QUESTION**: The specifications provide for an initial 12-month term with two optional 12-month extensions, for a potential total term of 36 months. Please confirm whether active NEC manufacturer support for the SV9500 and SV9100 systems is a requirement for the successful bidder throughout the duration of the contract, including any extension periods.

   ANSWER: The Contractor will be responsible for providing NEC support for both systems during the duration of the contract, inclusive of any extension periods.
