

## **Bid Specifications and Offer Sheet for repair of mobile shelter**

The Department of Health, Air Surveillance and Analysis Section (ASAS) is soliciting bids to repair a mobile shelter located on the grounds of Mountain View Elementary School, Hawaii. Address: 18-1235 Volcano Road, Mountain View, HI 96771.

Repairs include:

1. Repair water leaks on shelter, including walls and roof.
2. Install railing system on roof.
3. Remove and replace water damaged walls.
4. Remove and replace floor.

**Item 1 Price for repairs: \$ \_\_\_\_\_**

Electrical work includes:

1. Check electrical circuits within shelter and repair as needed. Electrical circuit must meet local (Hawaii) electrical building codes.
2. Relocate electrical power from old mobile shelter to new shelter.
3. Install new interior fluorescent or LED light fixtures within shelter.

**Item 2 Price for electrical work: \$ \_\_\_\_\_**

Vendor must be compliant with the Hawaii Compliance Express (HCE). Information for HCE can be found on the following website: <https://vendors.ehawaii.gov/hce/splash/welcome.html>

Vendor may submit offers for one or both items. Lowest, responsible, HCE compliant offer for each item will be awarded.

It is highly recommended for interested contractors to view and ask questions regarding this solicitation by calling and making an appointment with Lisa Wallace at 808-933-0403.
