DELIVERY:

The vehicle shall be delivered FOB to the State of Hawaii, Department of Health, Environmental Health Services Division, Vector Control Branch, 99-945 Halawa Valley Street, Aiea, Hawaii 96701, on or before August 31, 2017.

The following documents shall be included with each vehicle upon delivery at the above-specified location:

1. Hawaii Safety Inspection Certificate (in duplicate) and Safety Inspection Decal;
2. Application for Registration of Passenger Carrying Motor Vehicle Form (latest version);
3. Odometer Certificate;
4. Notarized Certificate of Bill of Sale;
5. Certificate of Weight and Measures (required if factory-furnished vehicle weight is unavailable), which shall include make, model number, year, and vehicle identification number. Verified weight in pounds must be officially machine-stamped (handwritten weight shall not be accepted);
6. Certificate of origin; and
7. Temporary license plates to be used during the interim period prior to acquisition of State of Hawaii license plates.

Acceptance of payment for the vehicles delivered will not be made without the inclusion of the required documents and certificates. The STATE shall be responsible for registration and obtaining licenses for these vehicles.
