Class Specifications
for the Class:

TRUCK DRIVER-LABORER

Duties Summary:

Operates medium and heavy trucks as a regular work assignment, and performs operational maintenance; performs manual, unskilled and semi-skilled work in the general construction and maintenance of roads and adjacent areas; and performs other related duties as assigned.

Distinguishing Characteristics:

This class differs from classes in the Truck Driver series in that the Truck Driver-Laborer is regularly assigned to operate medium (factory rated capacity of 1-1/2 tons and over, but less than 5 tons), and heavy (factory rated capacity of 5 tons and over) trucks, but spends a major portion of the work time in performing manual, unskilled and semi-skilled work; whereas classes in the Truck Driver series are responsible for operating and maintaining trucks as a major work assignment and may perform manual work as an auxiliary or sporadic assignment.

This class differs from the class General Laborer II in the Truck Driver-Laborer, although spending a major portion of time performing manual, unskilled and semi-skilled work, is regularly assigned to operate medium and heavy trucks on a continuing basis; whereas the General Laborer II performs manual work which includes tasks that require some manipulative skill, but does not include the operation of medium and heavy trucks on a regular or continuing basis.

Examples of Duties:

Operates dump trucks to haul rocks, gravel, dirt and other material; operates a tank truck to haul water to landscaped areas; operates water pumps and waters plants and grass with hose or spray attachments; plants trees, shrubs and grass along landscaped areas of the highway; prunes trees and shrubs; cultivates and weeds landscaped areas; cleans ditches and culverts; cuts grass along highways; assists in building or repairing stonewalls, guard rails and patching pavement; performs a variety of manual, unskilled and semi-skilled work in the general construction and maintenance of roads, buildings, structures and equipment; keeps records of supplies and materials used in maintaining landscaped areas such as insecticides and fertilizers; may supervise a helper assisting in the maintenance of landscaped areas.

Minimum Qualification Specifications
for the Class:

TRUCK DRIVER-LABORER

Experience Requirement

One (1) year of manual, unskilled and semi-skilled work experience in general construction and/or building repair and maintenance, some of which shall have included the operation of trucks representative of the class (i.e., medium trucks with a factory rated capacity of 1-1/2 tons or more, but less than 5 tons, and heavy trucks with a factory rated capacity greater than 5 tons), or any equivalent combination of training and experience.

License Requirement

A valid license of the appropriate type (e.g., Class 4 or Commercial Driver's License with applicable endorsements) to drive in the State of Hawaii is required to perform the essential functions of the position.

Quality of Experience

Possession of the required number of years of experience will not in itself be accepted as proof of qualification for a position. The applicant's overall experience must have been of such scope and level of responsibility as to conclusively demonstrate that he/she has the ability to perform the duties of the position for which he/she is being considered.

Selective Certification

Specialized knowledge, skills and abilities may be required to perform the duties of some positions. For such positions, Selective Certification Requirements may be established and certification may be restricted to eligibles who possess the pertinent experience and/or training required to perform the duties of the position.

Agencies requesting selective certification must show the connection between the kind of training and/or experience on which they wish to base selective certification and the duties of the position to be filled.
