

NOTICE TO BIDDERS (Revised 8/7/19 via Addendum No. 2)

(Chapter 103D, HRS)

COMPETITIVE BIDS for **Job No. B78CO74A Heeia Kea Small Boat Harbor Wastewater System Improvements, Kaneohe, Oahu, Hawaii** shall be submitted to the Department of Land and Natural Resources, Division of Boating and Ocean Recreation, Engineering Branch on the specified date and time through the State of Hawaii e-Procurement System (HIePRO). HIePRO is accessible through the State Procurement Office website at www.spo.hawaii.gov.

The Department of Land and Natural Resources Interim General Conditions, dated October 1994, as amended is available on request; and the General Conditions – AG008, latest revision shall be made a part of the specifications. Electronic copies of the General Conditions is available on the State Procurement Office website.

The purpose of this Invitation for Bids (IFB) is to award to a Contractor work that shall include, but not be limited to, construction of a new wastewater treatment plant, sewage lift station, leach field, and appurtenant work.

Due to the nature of work contemplated, bidders must possess a valid State Contractor's license, Classification "A".

The estimated cost for this project is \$2,000,000.

All interested parties are encouraged to conduct a thorough site visit prior to bidding. A non-mandatory pre-bid conference will be held at the Division of Boating and Ocean Recreation Administration Office Conference Room located at 4 Sand Island Access Road, Honolulu, Oahu, Hawaii, 96819 on August 8, 2019 at 9:00 A.M. with a site visit to follow.

As a condition for award of the contract and final payment, the vendor shall provide proof of compliance with the requirements of 103D-310(c) HRS. Proof of compliance/documentation is obtained through Hawaii Compliance Express (HCE). Vendors shall register in Hawaii Compliance Express (HCE), a program separate from HIePRO. The annual subscription fee to utilize the HCE service is currently \$12.00. Allow 2 weeks to obtain complete compliance status after initial registration. It is highly recommended that vendors subscribe to HCE prior to responding to a solicitation. The vendor is responsible for maintaining compliance. If the vendor does not maintain timely compliance in HCE, an offer otherwise deemed responsive and responsible may not be awarded.

The award of the contract, if it be awarded, will be subject to the availability of funds.

The Engineering Branch Head is responsible for administering and overseeing the Contract, including monitoring and assessing contractor performance.

This project is subject to preference for Hawaii Products established by Section 103D, Hawaii Revised Statutes and the Apprenticeship Agreement Preference. The Hawaii Product List may be examined at the State Procurement Office.

Should there be any questions, please use the question and answer section of the HIePRO solicitation.
