

Waihou Springs Forest Reserve: Piiholo Road – Hazardous Tree Removal Project

Objective: Per specifications as indicated in the attachments, project requires tree removal to be completed.

Requirements:

- a) Vendor is required to:
 1. Provide proof of C27B (tree trimming contractor's license).
 2. Provide proof of Arborist Certificate.
 3. Provide proof of Commercial Liability Insurance listing the State of Hawaii as additional insured. Coverage amounts of \$1,000,000.00 per occurrence and \$2,000,000 per aggregate.
 4. Provide contact information of certified arborist on staff or one that is hired to conduct job assessment.
 5. Selected contractor will provide performance bond for the processing of a Purchase Order.
- b) Stump heights for trees selected for "removal" must not exceed 12" on high side of ground.
- c) All debris and trash from tree trimming and tree removal work must be removed from site.
- d) Vendor to provide logistical support for traffic control to ensure public and vendor safety while conducting work.
