**Page S-15, 7.6 Other Billable and Authorized Extra Work**

~~7.6.4 Annual maintenance and/or repair of sump pump. and other work as required in the elevator pit.~~

- **Responses to a questions submitted**

**Q1:** If elevators are found to be out of service at time of award, would the state agree to pay the time and materials cost for repairs?

**A1:** Yes.

**Q2:** If testing is found to be past due, would the STATE agree to pay the time and materials cost to perform these tests? Would the STATE also agree to pay the time and materials cost for repairs resulting from these tests?

**A2:** No. Because these tests are the responsibility of the Contractor as stated in the solicitation. Please refer Page S-1, Scope of Services, 2. Description of Work. If any additional testing is required during the contract period, it will be paid as authorized extra work.
